Junior Farmer Church Service Held In St. Paul's United Church, Stirling

Rev. A. Mackenzie, Principal of Albert College, Delivers Inspiring Message

Hastings County Junior Farmers in goodly numbers attended Divine Service in St. Paul's United Church, on Sunday last at 8 p.m.

The call to worship was given by Mr. Grant Richardson, President of the county organization, and the responsive reading was led by Miss Kathleen Homan, the secretary. Rev. A. Packman extended a warm welcome to the visitors on behalf of St. Paul's Church officials. The Scripture Lesson was read by Grant Richardson and prayer was offered by Arnold Empey, President of the Madoc Junnior Farmers.

Rev. Mackenzie

Rev. A. Mackenzie, Principal of Albert College, was the preacher and delivered a very inspiring address from the theme "Keeping In Step." "We must keep in step with God, and in order to do this we should become better acquainted with the ways of Christ and strive to raise our morals to those of Jesus," stated the speaker. On the other hand we should refrain from "Keeping in Step" with those things that led away from Christ.

Special music for the occasion included a solo, "Thanks Be To God," by Miss Marlene Carlisle and two anthems, "Thou Crownest The Year" and "O Lord How Manifold," by the Junior Farmer Choir, under the leadership of Wm. Aylsworth, of Madoc. Mrs. Gerald Clancy presided at the console of the organ throughout the service.

The collection at the service went to the Salvation Army.

Interment was made on Tuesday, August 31st at 2.30 p.m. at Erie Cemetery, Wheatley, Ontario.

Messrs. Morley Sine, Cecil Sine, Everett Sine and Grant Sine attended the funeral on Monday.

FORD -- MONARCH DEALERS PRESENTED WITH AWARD

McIntosh & Wells, local Ford-Monarch Dealers, were presented with an outstanding achievement award by Ford Motor Company of Canada, Limited, at a meeting of Ontario award winning Ford dealers held recently in Toronto.

The award, consisting of a plaque, a lapel pin, and banners for show-room and shop, which was presented to outstanding Ford dealers for 1953, was based on four main requirements. Requirements were symbolized by the letters F, M,, S, F.

The "F" stands for finances which are sound, fully adequate to do a complete continuous job of selling cars, trucks, parts and service.

The "M" stands for management of an efficient, smooth running organization of well trained, top calibre men in all departments, men with a definite and clear objective and a constant incentive for reaching that objective.

"S" stands for spirit of competition and community leadership.

The final letter "F" stands for facilities that are modern and capable of serving the needs and demands of the people in the dealer's community.

FIRE THREATENS MORTON RESIDENCE

The local Fire Brigade was called to the residence of Mrs. Hugh Morton, Charlotte St., about 12.30 a.m. Tuesday to quell a blaze which had broken out in the basement. Heavy smoke hampered the firemen's efforts but after approximately an hour's battle the blaze was extinguished.

The cause of the fire is thought to have been a defective furnace. According to Mrs. Morton, she had put a light fire in the furnace, about 5.30 Monday afternoon and everything appeared in order until the crackling of the flames attracted her attention. At the time of discovery the fire had eaten its way from overhead the furnace along a beam to a point underneath the stairway leading to the upper floor of the dwelling.

Beyond the disruption of hydro and telephone services, the chief damage was caused from smoke.

Extinguish Straw Fire

Monday afternoon firemen were called to the Frankford Road, opposite O. Clapper's residence, to quell a fire in a load of straw on the truck of Leslie Preston, of Trenton.

4-H Garden Club Achievement Day To Be Held Here Tomorrow

The achievement day for the 4-H Home Garden Club members of South Hastings will be held in the Stirling Community Hall tomorrow (Friday), September 3rd, with registration taking place at 9.30 a.m.

Judging classes and a garden quizz will be conducted, followed by Club exhibits, skits and demonstrations. The presentation of certificates and spoons will conclude the programme.

The first, second and third year club members will have the opportunity of exhibiting record books, six varieties of vegetables, a bouquet of flowers and a jar of canned tomatoes; while the third year girls will also display a special project conducted and give a three-minute comment on their exhibits.

Members will also judge two classes of vegetables and answer a garden quizz.

Club Exhibit

Each Club will have an opportunity of exhibiting vegetables for the winter and vegetables from the Club gardens, as well as a demonstration or skit on one of the following: (1) Let's Grow A Garden, (2) How to Store Vegetables for the Winter, (3) Freezing Fruits and Vegetables, and (4) Let's Can Tomatoes.

The day's programme will be under the direction of Miss Faye L. Irvine, Home Economist, and A. O. Dalrymple, Agricultural Representative, and J. A. Francis, Assistant.

Visitors Welcome

Mothers and friends of Club members and Women's Institute members are all cordially invited to attend the Achievement Day.

Prominent Citizen Widely Mourned

Earl G. Bailey Dies Monday In Belleville Hospital — Funeral Largely Attended

Citizens of Stirling and community were deeply shocked to learn of the sudden passing of Earl Granville Bailey in Belleville General Hospital on Monday. His death occurred following a heart attack suffered on Saturday afternoon while enjoying an outing with members of his family at his cottage on the Trent River.

Born in Rawdon Township, son of Richard P. Bailey and Alice M. Lloyd, the late Mr. Bailey was in his 73rd year. In his younger days he resided on a farm at Harold, Ont., but came to Stirling to reside forty years ago. He conducted a successful garage business on Front St. East for many years and as General Motors dealer became widely known throughout Central Ontario. In December 1946 he retired, disposing of his business to W. T. Elliott.

Earl Bailey was a good citizen and any movement tending towards the betterment of his home community always had his support. In addition to his business activities he found time to serve his fellow townsmen in the municipal field. For several years he was a member of Stirling Board of Education and had serveed as a member of the Village Council for many years. He was also a charter member of the Rotary Club of Stirling. He was a member of the Christian Science Church and was held in high regard by a wide circle of friends who deeply regret his passing.

He is survived by his wife, the former Effie Christine Kirk, three daughters, Mrs. Elmer (Florence) Post, of Stirling; Mrs. Keith (Irene) Scott, of Ottawa; Mrs. Cecil (Marion) Baker, of Elmvale, and six grandchildren.

Also surviving him are three sisters, Mrs. Bessie Jackman, Harold; Mrs. J. W. Hay, Peterborough; and Mrs. D. N. Buntain, Edmonton, Alta.

The funeral took place at his late residence, Front St., Wednesday afternoon, with the service being conducted by Rev. Arthur Packman, of St. Paul's, who brought a comforting message to the mourners.

The pallbearers were Messrs. R. K. West, Burton Woodbeck, W. L. Fox, Harper Rollins, C. E. Macklin and Bruce Bell.

Interment in Stirling Cemetery.

School Ahead - Go Slow . . Good Advice For The Motorist

Have you ever slowed down your car automatically when a road sign warns that there is a school just ahead — only to realize that the children are on vacation, or it's Saturday, and school is out?

Most motorists have had such an experience. It is an excellent habit to slow down any time you approach a school zone, or any other area where children are likely to be playing. After Labour Day, it might save a child's life.

Many children have good safety habits concerning traffic instilled into them practically from the time they begin to walk. Being children, however, they are likely to forget at times, or become so interested in their games they fail to observe an approaching automobile.

Then it's up to the adult motorist to think for the child and himself as well — to go out of his way, if need be, to ensure the safety of small children.

A total of 184 children under 15 years old were killed in traffic accidents in the Province of Ontario last year, according to figures of the Ontario Safety League. In addition, 4,487 Ontario children were injured in accidents on the streets and highways.

Our schools, for the most part, are doing an excellent job of training school children to observe proper precautions in traffic. Many cities in Ontario have school children organized in safety patrols, which operate under police supervision, and give the youngsters a certain amount of supervised responsibility for their own safety in traffic.

However, in the last analysis, it is always up to the motorist to exercise the utmost precaution when travelling through an area where there are children playing.

Here are rules for parents and motorists, recommended by the Ontario Safety League:

Parents Should

1. Set children a good example by crossing streets only at intersections, waiting for the signal, looking both ways and for turning traffic before crossing.
2. Find out what traffic safety education your children are receiving at school and co-ordinate your own instruction with it.
3. Impress upon children the danger of playing in the street or near moving traffic. See that they play only in approved play areas.
4. See that children are skilled in using outdoor toys such as roller skates, bicycles, scooters, tricycles and wagons, and that the youngsters practise safety rules when using the toys.

Motorist Should

1. Keep a constant lookout for children. Even when children are clearly in view, their actions sometimes are unpredictable.
2. Near school areas be constantly alert for signs, traffic police, signals, school patrols and for children themselves.
3. Decrease speed and increase vigilance when driving near playgrounds and residential areas and other places where children are likely to be found.
4. Don't compete with bike riders. Be ready always to give them the right of way.
5. Exercise special care when backing in an area where children are likely to be playing. It is good practice to get out of your car and make sure there are no children near, immediately before starting to back up.

Industries Like To Locate In Small Towns

There is a decided tendency for new industrial firms to locate away from large urban centres in order to give their employees the advantage of living in a small community, J. E. Turnbull, chairman of the municipal section of the trade and industry branch of the Ontario department of planning and development, said recently.

Addressing the 56th annual convention of the Ontario Municipay Association, Mr. Turnbull said smaller centres can often supply advantages in the way of recreation, living pleasures, educational facilities and other social benefits that help make good manager-employee relations.

He said it was up to small communities to take advantage of this trend of industry. Some 50 companies planning expansion in Ontario have established branches as much as 200 miles away from the parent plant, he said.

He said the taxpayer themselves should be aware of the benefits industrial plants could bring to their town, and should strive to capture some of it for their community.

Family Escapes As Home Burns

A father, mother, and six small children, narrowly escaped from their flaming home early Saturday when fire destroyed their frame house on No. 14 Highway, two miles south of Belleville.

Foster Gonsolus, 39, was awakened by his wife about 5 a.m. and the parents, garbed only in night attire, led their six children to safety. The home into which Gunsolus had moved his family only the night before was completely destroyed. All family clothing and possessions were lost.

WHAT OTHERS SAY!

GOOD ADVICE

(Stratford Beacon-Herald)

The young man who has been adjudged Illinois best teen-age driver gives this advice to other youngsters: "Always drive as if your parents were with you." There are parents, on the other hand, who could profit from this slogan in reverse: "Always drive as if your children were with you." Or, even more to the point, perhaps. "Always drive as if your children were playing in the street ahead."

IT'S YOUR BUSINESS

(St. Catharines Standard)

Last year, estimates showed that there were about 1,250,000 Canadians directly employed in industry. Add the dependents of those so employed and these people who have an immediate stake in the success or failure of these industries represent one out of every three citizens.

Looking at it this way it is not so easy to believe that it is no skin off your nose if indusutry is taxed beyond the danger point. or if goods are allowed to enter to compete on overly favorably terms with our own. When we pay three times the wages and work half the hours of those who produce these imported goods, there is no question whose producers can outsell the other.

BIRTH OF THE ICE CREAM CONE

(Kansas City Star)

It was 50 years ago and about this time of year, when the ice cream cone made its debut without fanfare or any advance preparations. In fact, the entire idea and the cone itself was a spur of the moment inspiration and production — to meet an emergency at the St. Louis world fair.

Ice cream was popular at the big 1904 fair, so greatly in demand that it was difficult for concessionaires to stock and handle enough dishes for serving it.

One day when an ice cream stand ran out of dishes, Ernest A. Hamwi, who was making and serving zalabia in a stand nearby, quickly rolled one of the thin wafer-like waffles into the shape of a cornucopia or cone, and rushed it to his fellow concessionaire to fill with ice cream. It was handed to an ice cream customer and became a spontaneous success.

Zalabia, a waffle-like pastry, originated in countries around the Persian Gulf. Hamwi had come from Syria to make and sell zalabia to St. Louis fair crowds. The wafers were served with sugar or other sweets.

So it was that zalabia and ice cream became the world fair cornucopia. a popular confection that evolved into the great ice cream cone industry of today.

VACATION SCHOOL PARTY AT MOUNT PLEASANT HALL WELL ATTENDED

The Vacation School Party was held Friday evening at the Church Hall with approximately seventy-five adults and over one hundred children in attendance. The display tables were much admired. The Intermediates and Juniors did a large assortment of leather craft and moulded birds, donkeys, etc., with Mr. Ray Sharp as supervisor of the craft work and Mrs. Carleton Potts assisting. The Primary group had a large array of painted jars which they had completed Wednesday morning under the leadership of Miss Ruth Linn. There were also paper plates decorated with Bible themes, windmills, scrolls etc. The Kindergarten group displayed cardboard pictures of "Our Church", plant holders made from greetings cards, prayer plaques etc.

Mr. Ed. Richardson was Principal of the school for the week. Miss Betty McConnell presided at the piano for all the musical numbers.

Twenty-one Kindergarten children gave a rhythm band number and Mrs. Raymond McConnell reported an attendance of 114 children in 5 days. Mrs. Ed. Richardson and Mrs. Will McAdam assisted every day in this department.

The Primary department, under the leadership of Mrs. Herbert Smith, gave a demonstration of a Sunday School session when they greeted boys and girls of other lands. The nineteen children also sang "Build Your House Upon A Rock." Mrs. Earl McMullen, Mrs. Will Heath, Mrs. Don Heath and Mrs. W. G. Fletcher were the daily assistants. The girls at Mount Pleasant who are attending High School also helped arrange the children for lunch.

Nineteen Juniors under the leadership of Mrs. Kenneth Weaver and Mrs. Stewart Hoover and Mrs. Burton Sharpe, presented a skit entitled, "What Is A Church?" At the close they sang, "The Church's One Foundation." Fourteen Intermediates contributed a Missionary song, "Jesus Loves Children of all Colours." Mr. Ed. Richardson, who convened this department, reported thirteen had perfect attendance. He was assisted by Mrs. Carleton Potts, Mrs. Marguerite McMullen, Mrs. M. Wrightman, Mr. Ray Sharp and Rev. W. G. Fletcher.

Seventy-three children in massed formation sang several selections including action numbers and closed with "We're On The Upward Trail."

A collection was taken each day and approximately ten dollars will be forwarded to Dr. Lauback, the Missionary who has taught sixty million people to read and write. The evening collection will be used to further vacation school work another year.

Among the others who assisted with the work were Mrs. Eric Summers, Mrs. Ross Jeffs, Mrs. Ross Hoard, Mrs. Stanley Williams, Mrs. Irvin Potts, Mrs. Donald Johnson, Mrs. Bill Jeffs, Mrs. Harry McAdam, Mrs. Ira David, Mrs. Douglas Campbell, Mrs. Archie Bailey and perhaps others.

The programme closed with "Sing Your Way Home" and the second Vacation School was very successful.

Hay Fever Sufferer's Simple Cure Offers Hope To Many Others

The dictionary describes it as "a catarrh, accompanied by itching, sneezing, slight fever, and pains in the head." Sufferers refer to it contemptuously as "hay fever."

Remedies for the dread summer complaint abound. Some bring results, others are a waste of time. Austin Richards, Long Branch, claims to have found a simple inexpensive remedy for the fever that has marred his enjoyment of 28 summers.

Mr. Richards, a candy businessman, has been afflicted with the malady ever since he turned twelve. Now, at the age of 40, he thinks he has it beaten. This is how it's done: "Apply two ice cubes wrapped in cheese cloths to, each side of the nostrils," says Mr. Richards.

The procedure is so simple many people will be inclined to scoff. "But it works for me," he says. "I find that if I use the cubes about once a week during severe attacks, the hay fever disappears."

Last year, Mr. Richards went to Bernarr McFadden's Health Centre in Dunnsville, New York. It was there he heard about the ice cube remedy. Prior to this, he had noticed slight relief whenever he opened the door of his refrigerator. The colder air was apparently the cause.

After trying all the drugs on the market Mr. Richards was as skeptical of the new suggestion as anyone. But he tried it. The hay fever problem is now a thing of the past for him.

Oakville Ousts Batawa 9-7 In Play-offs

Belleville Batas bowed out of the Viaduct-Ontario Baseball League playdowns Saturday night when they dropped a 9-7 verdict to Oakville Oaks in the third game in their best-of-five semi-final.

The Oaks swept the series in three games and will meet Oshawa Transporters for the loop championship.

Mrs. Edward Osborne of Niagara Falls N.Y. Died In Belleville

(Contributed)

Mrs. Edward (Grace) Osborne, of Niagara Falls, N.Y., passed away on August 18th at Belleville General Hospital. She mas born near Madoc, Ont., and in her twenties moved to Niagara where she later married and has since resided.

There were few years she missed coming back to Canada for vacation and in those years she travelled to Texas to visit her son, Ted. Just a few years ago, and nearing her eighties, she made the trip to Texas.

Her fine christian character was an example to all her friends. Her enjoyment of beauty found expression in landscaping the spacious lawns of several of her homes in Niagara Falls. The writer recalls the beautiful flower gardens, the rock-gardens and the large pool filled with goldfish and water-lilies and with a rustic bridge across the centre.

Her plans of a month's visit to see all her relatives at Madoc, Stirling and Frankford, were shortened by a heart condition after only a visit of one week.

Left to mourn her loss is her only daughter, Mrs. Jack (Lisha) Brett, of Ransonville, N.Y.; two sons, Russell Osborne, Niagara Falls, N.Y., with whom she resided, and Adam Edward Osborne, of Houston, Texas and six grandchildren. Four brothers, Ramsey Cooney, Frankford; Theodore, of Stirling, William, of Madoc, and Marvin, of Niagara Falls, N.Y., and two sisters, Mrs. A. C. Herrington, of Madoc, and Mrs. Winnifred Woolson, Niagara Falls, N.Y., also survive.

Rev. Koffend, fomerly of Stirling, conducted the funeral service at the Lane Funeral Home, Buffalo Ave., and at Mount Pleasant Cemetery, Niagara Falls, N.Y.

The banks of beautiful flowers were a silent tribute to the esteem in which she was held.

936,000,000 Miles With One Fatality

Canadian commercial airlines flew more than 935,000,000 passenger miles in 1953 with one passenger fatality, the Air Industries and Transport Association have announced.

The mileage, covered on both domestic and international routes, is the equivalent of 37,400 trips around the world. The one fatality occurred in the crackup of a Queen Charlotte Airlines plane in British Columbia.

The association said there were 174 civil aviation accidents reported last year. Personnel errors were the probable causes of half of them. Five per cent of the accidents were attributed to the weather.

The association said the percentage of accidents due to personnel errors has been dropping steadily for the last six years and that decrease reflects a corresponding improvement in pilot standards.

CANADIAN DRESSES IMPORTED IN U.K.

The Canadian textile and clothing industries have for years been trying to tell Canadian women that products of this country's mills are every bit as good as those carrying "Imported" labels.

The argument was clinched recently by British women who flocked to a popular London, England, store to buy up 300 "Imported" nylon dresses that were being offered for sale.

"We could have sold many more," explained the happy British shop-keeper who imported the dresses from Montreal.

Immunization Week Sept. 26th -- Oct. 3rd

"With modern air transport, smallpox or other now rare espidemic disease, may reappear at any time," warns Dr. R. J. Wilson, in the current issue of Health magazine. The Health League of Canada, which publishes the magazine, is sponsoring Canada's 12th National Immunization Week September 26th to October 2nd.

Dr. Wilson says: "Smallpox was introduced recently into Great Britain by an officer returning from abroad. It was brought into New York by a business man arriving by bus from Mexico. The absence of smallpox in Canada is no excuse for complacency, and a death from smallpox is inexcusable.

"Most of us have heard of immunization against smallpox, diphtheria, whooping-cough, tetanus (or lockjaw) and some other diseases, but it might be well to re-examine what we know about it, since this protection is available to every child in Canada. And it is the responsibility of parents to ensure that every child is given the oppotunity to receive these benefits easly in life.

"In order to simplify the immunization programme in Canada, the triple antigen Diphtheria Toxoid, Pertussis (Whooping Cough) Vaccine and Tetanus Toxoid (combined), DPT, was introduced in 1948. This combination reduces the number of injections that would be required if each were administered separately, and has the advantage that immunity to all three diseases is developed simultaneously. Because of the high mortality from whooping-cough in the first six weeks of life, it is desirable to begin immunization with DPT early, preferably at three months of age. The primary immunization requires a minimum of three doses about one month apart. In order to ensure that the immunity is at a high level, a fourth dose is desirable within 12 months following the primary immunization.

"It is well known that immunity wanes with the passage of time. It is also known that reinforcing or recall, or "booster" dose calls forth a response in a previously immunized person that is rapid and of a high order. Therefore, in order to have the children continuously protected it is necessary to administer these recall doses at regular intervals, e.g., at about three years of age and again prior to school entrance. It is customary to discontinue the use of whooping-cough vaccine in recall doses after the child has entered school since the hazard of death from whooping-cough at this age is minimal. However, recall doses with Diphtheria and Tetanus Toxoids (combined) should be administered at intervals of 3 to 4 years.

Saving money... and writing cheques

A bank offers you two types of deposit account, Savings and Current.

If your main purpose is to save, to accumulate funds, it's good to have a Savings account.

If you write cheques frequently, you will like the many advantages of a Current account.

The money you leave in a Savings account earns interest, and your bank book gives you an up-to-date, continuing record of your financial progress. If your funds are active, with frequent deposits and withdrawals, a Current account provides a special service; a monthly statement, together with your cancelled cheques—useful as receipts and a ready reference for budgeting, bookkeeping and other purposes.

More To Our Bacon Than Sending The Little Pig To Market

There is much more to getting our bacon than sending the little pig to market. At the present moment the litle pigs that are going to market are very much in the news. If you have been complaining about the large proportion of fat in the bacon you are buying, then you have helped put them there. It is not the first time that pigs have had news value, for their popularity with the press started soon after World War I. At that time producers realized that if Canadian bacon were going to appeal to the British market it would have to be much leaner than it was. So a campaign was started to improve the quality of Canadian hogs. Farmers began to experiment with careful breeding and a controlled diet. Soon they began to increase production of a very good bacon-type hog which gave bacon with a good proportion of lean to fat. This bacon proved very acceptable in England and was also popular in the United States. Now that Canada is not exporting bacon to Britain, producers have allowed hog quality to slip back somewhat with the result that some of our bacon is at present fatter than it used to be.

The old saying "The customer is always right" seems to be more true today than it ever has been. Certainly Mr. Customer is getting what she wants more often than she did in the past. Today if she does not like a product she says so, and in most cases the producer, processor or manufacturer not only listens but does something about it. Bacon is the most recent example. So many customers are not satisfied with the kind of bacon they have been offered in the shops, that they have complained about it. As a result of their complaints several National organizations have asked the Canada Department of Agriculture to consider having bacon sold to the consumer by grade. In order to find out what consumers want in bacon, the Department of Agriculture has been conducting a survey. Samples of bacon were displayed and then questionnaires were distributed so that consumeers could give their opinion of the various samples. As soon as the report of the survey is completed the results will be passed along to the consumers. At this stage preference seems to be for a leaner type bacon than is usually found in the shops.

Bringing Home The Bacon

From the number of questions asked during the bacon survey conducted by the Canada Department of Agriculture, it would seem that many consumers do not understand bacon terms. Actually there are just two main types of bacon, back bacon and side bacon. However, they may be cured in different ways and are found under a number of different names in the stores.

Back bacon is taken from the lean part of the pork loin. It is cured, dried, and finally smoked to improve its keeping qualities and flavour.

Peameal bacon is back bacon, which has been cured but not smoked. After it is cured it is sprinkled with cornmeal. This gives the bacon an attractive appearance, and added flavour. The cornmeal process is also used for cottage rolls and a number of other pork cuts.

Side bacon is known as "Breakfast bacon" to many Canadian shoppers. Of course that does not mean that it can be eaten only for breakfast! Side bacon comes from the side section of the hog and it is naturally fat. While most consumers prefer a good proportion of lean to fat, they must not expect too much. A grade "A" hog that is, the best bacon-type hog, will have well over 50% fat in this section. While consumers might find some bacon too fat, very lean or "skippy" bacon is tought and stringy and lacks flavour. It will not be a small amount of fat so much as a good proportion of lean to fat and lean well streaked with fat that you will find desirable in your bacon.

When you buy bacon it is a good idea to buy only one week's supply at a time. The best way to store the bacon is to keep it well wrapped to prevent its drying out, and take from your refrigerator only the amount you are going to use. If the bacon stands open in the air, it loses both flavour and keeping quality.

FOOTBALL'S BACK

When the whistle blows for the kick-off in the Big Four Football season, viewers in the TV areas of Eastern Canada served by the CBC microwave network will have a seat on the 45-yard line each week from August 28th to November 4th. Television coverage of the Big Four Football season (Toronto Argonauts, Ottawa Roughriders, Montreal Alouettes, Hamilton Tiger Cats) will be sponsored in Canada by two Canadian firms. One of the play-by-play commentators will be Steve Douglas, well-known to network viewers. Production supervision will be in the hands of George Retzlaff, of CBC-TV, just back from similar duties in connection with the British Empire and Commonwealth Games in Vancouver. The Big Four Football season will also be viewed by millions of Americans through a U.S. network.

Protects People of Province Against Losses In Motor Accidents

A widow, left with eight children, from one year to 11 has good reason to be grateful to Ontario's Unsatisfied Judgement Fund. Without this, she would have received nothing towards bringing up her family, after her husband was killed by a hit-and-run driver on a Wellington county road. The maximum limit of the fund, $5,000 for death to one person, was paid out.

Near Waubaushene, one man driving a motorcycle was killed and a boy passenger was injured by an irresponsible motorist. The widow received the $5,000 limit, the father of the injured boy received $345.21 for hospital and medical expenses, the injured boy was awarded $4,654.79. In that one instance the Unsatisfield Judgement Fund paid out $10,000, the maximum for death and injury to two persons or more.

In the first instance, since the driver of the automobile was unknown, the widow sued the Registrar of Motor Vehicles for compensation. In the second one, the driver of the motor vehicle responsible for the accident was sued, but the award could not be collected from him, as he was without assets. The injured parties then applied through the courts for settlement from the Unsatisfied Judgement Fund.

Passed on legislation effectively sponsored by Hon. George H. Doucett, Ontario Minister of Highways, Unsatisfied Judgement Fund was put into effect by the Province of Ontario on July 1st, 1946. It is intended to provide some form of recompense to people who have suffered from injuries, loss of life, or property damage as the result of a motor accident anywhere on Ontario roads. It provides some relief against the so-called "judgement proof" driver, who is unable to meet any payment for damages for which he is responsible. It also provides for the hit-and-run case, when the injured parties may sue the Registrar of Motor Vehicles.

It provides payment of $5,000 for death or injury to one person, a maximum of $10,000 for two or more persons and up to $1,000 for property damage. Before establishment of this Fund, injured parties would have received nothing, if the amount awarded proved to be uncollectable from the defendant.

A visitor from Saskatchewan received severe injuries while walking along an Ontario highway, by another hit-and-run motorist. Both legs were fractured and he was unable to walk for 15 months. Here again, a judgment was secured against the Registrar for the maximum amount of $5,000 and this was paid, together with legal costs of some $558, out of the Fund.

During the first few years the Fund was operating, all such victims were eligible to receive benefits from it. In 1952, however, this was changed, so that now only those victims which come from provinces or states which offer similar protection for Ontario residents on their roads, may make such application.

This was done becouse the Legislative Assembly agreed with Hon. Mr. Doucett it was unfair to provide outright protection against so-call "judgment proof" awards to all visiting motoriets using Ontario highways, if no such protection existed in their home area for an Ontario resident.

To May 31st this year, $5,622,318.02 in partial or total fulfillment of 2,113 judgments awarding damages have been paid out of the Fund since it became operative. Of these, 197 were hit-and-run cases, involving an amount of $612,213.10.

For the first two years claims were paid out of provincial general revenue. In 1949, however, a fee of 50 cents was collected with the sale of every driver's licence. The fee collected and the repayments to the Fund were not sufficient to meet the claims against it, however, and by the end of 1952, the fund was in debt to the provincial treasury for $650,000. Legislation was then brought in which raised the annual fee to $1.00, with each driver's licence sold from 1953 on. This has enabled the Fund to meet all claims against it, to repay the treasury loan, and the year closed March 31st with a balance of $746,510.80.

Irresponsible drivers or parties whose obligations have been paid by the fund face many unpleasant situations. Their permit to own or drive a motor vehicle has been suspended, and it remains so until full restitution has been made to the Fund, plus interest charges of 4 percent per annum. A regular check is made every six months on their financial ability and if they have any means whatsoever, they are forced to pay. Right now, 170 persons are making payments into the Fund to meet judgment paid out on their behalf. Up to March 31st, the total amount recovered from this source was $182,827.49. Since the Fund came into operation, 120 have met their obligations in full. That leaves 1,823 awards which includes 197 hit-and-run cases, for which nothing has been received.

The amount recovered seems small in comparison to total paid out. But it is pointed out that, in all cases of payment from the Fund, the court had to be satisfied that the defendant had no assets of any kind. If he had, such as property, stocks or bonds, bank account, or car, these had been seized previously to help meet the obligations. Thus the responsible party is usually regarded as a "bad debt."

Once the fund has been fully repaid, driving privileges are restored, provided proof of financial ability in the future is filed with the Department of Highways. This is to assure that drivers will be responsible for any future actions for damage which may be brought against them.

The Fund not only protects the Ontario motorist against another motorist in that province, but affords protection against the irresponsible motorist from any section of Canada, when an accident occurs on an Ontario highway. Ontario has a reciprocal arrangement with all the provinces, that Ontario judgments will be honored. If a Manitoba motorist is the guilty party in a motor accident in Ontario, and fails to meet his obligations, then the Registrar of Motor Vehicles for Ontario would request the cancellation of all driving privileges, if the Unsatisfied Judgment Fund met the claim. Action would be taken by Manitoba authorities.

The same holds true for many United States residents travelling in On-

Duro Pump's new low price puts money in your pocket

If you've ever wished for a running water system—now's the time to install one. We've cut our prices lower than ever before on Duro Pumps. Now we can install a Duro with even greater savings than this economical quality pump has offered in the past. And when you buy a Duro, you've bought the best pump by far. Gone are the days of water failure due to mechanical breakdown. The top quality Duro delivers thousands of gallons of water for a few pennies. Fits in a minimum amount of space and is so silent you can hardly hear it. There's always ample water with a Duro.

Call or come in anytime, we'll be glad to give you an estimate on a complete water system including—pump, tank; pipe, kitchen and bathroom fixtures; taps in all farm buildings and the cost of installation.

NEWS FOR THE BUSY FARMER

WINTER WHEAT YIELD SAID SECOND HIGHEST IN HISTORY

Field Crops Branch of the Ontario Department of Agriculture reported recently that Ontario farmers have just harvested a 23,000,000 bushel wheat crop with an estimated yield of 32.3 bushels per acre.

In spite of unfavorable weather conditions the 1954 Ontario Winter Wheat Crop has proven to be the second highest in yield ever harvested in Ontario. It is exceeded only by 1953 yields.

Average yields for the last 10 year period have exceeded the previous ten year period by 4 bushels per acre and the ten years previous to the first great war by eight bushels per acre.

These increased yields can largely be attributed to improved higher yielding varieties and to added fertility. The three most popular varieties now are Cornell 595, Genesee and Dawbul. Excellent seed is available from the many registered growers of these varieties in the province.

Soil fertility also plays an important part in increasing yields. An extract from a report of the Advisory Board of Ontario, states, "The influence of fertilizers on the catch of clovers and grasses seeded with cereals, and the residual effect on succeeding crops may be as important as the more immediate effect on the cereal crop. Also proper use of fertilizer offers substantial insurance against winter killing of fall sown grains and hay crops."

Farm yard manure is excellent for Winter wheat, and when ample amounts of this material are available the Fertilizer Board suggests an addition of two hundred to three hundred pounds 20% superphosphate per acre. Where manure is lacking, fertilizer applications should be made according to soil tests.

For general guidance however, the Fertilizer Board recommends 2-12-10 or 3-18-9 at three hundred to four hundred pounds per acre, for Winter Wheat, Rye and Winter Barley. If 4-24-12 is used the rate can be reduced to two hundred and twenty-five to three hundred pounds. If wheatland is to be seeded down these rates might well be increased by fifty to one hundred pounds.

Grasses may be fall seeded at the time of seeding the grain but the clovers usually thrive better when spring sown.

Soil testing is done without charge at such Agricultural institutions as the Ontario Agricultural College, Guelph; the Kemptville Agricultural School, Kemptville, and the Western Ontario Agricultural School and Experimental Farm, Ridgetown. Suitable soil boxes and instructions for taking samples are available at all Agricultural Representatives offices.

LOCKER PLANTS ARE BIG BUSINESS

A food-shopping excursion for many housewives today includes a visit to the local locker plant to pick up a supply of frozen foods. In the short period of 15 years, community locker plants have become established in almost every community of North America. Their function in renting low temperature storage space for farm and garden produce, as well as providing the services of cutting and wrapping of meats, has been largely responsible for the widespread use of frozen foods.

In the three Prairie Provinces alone, says A. L. Shewfelt, Morden Experimental Station, Manitoba, more than 300 locker plants have been built at a capital investment of approximately $10 million. Another $10 million worth of food is stored in the plants each year by some 100,000 families. The rapid and extensive growth of the industry has necessitated well-organized associations of locker plant operators in each province. Members of these associations meet regularly to discuss problems of the industry.

One of the most difficult problems facing locker plants at present is that of competition from home freezers. Housewives find it much more convenient to have a supply of frozen food right in the home and many have given up their rented locker in favour of a home freezer. Most freezing cabinets however, do not have sufficient capacity to freeze properly, part of complete carcasses of meat. Owners often have the locker operator cut, wrap and freeze the meat and then transfer the product to the home unit as space permits. This most recent trend has actually increased the business of several locker plants. They have reduced their locker storage area in favour of increased frozen food services for the customer. These plants have thus become frozen food centres which, in addition to providing storage, services, and information, are distribution points for a wide variety of commercially frozen foods.

The Fruit and Vegetable Products Laboratory of the Experimental Station at Morden, Manitoba, is continually investigating food preservation by freezing and co-operates both with the householder and the locker industry in the adoption of the latest improved methods.

NEW PLANT RESEARCH LABORATORY

Construction has now begun on a new plant research laboratory at the Ontario Agricultural College, Guelph.

The new two-storey building will be U-shaped, with the base 135 feet and each wing 105 feet in length. It will be devoted to the experimental work in field crops carried on by the Field Husbandry Department. In connection with this work will be several growth chambers and a greenhouse, the latter occupying the entire second floor of one wing.

Several cold storage chambers will be used in the plant breeding programs to test the winter hardiness of winter wheat, barley, grasses and legumes. Others will be used for storage research on potatoes and turnips. Valuable plant breeding materials will be stored in vaults which will be proofed against vermin, insects and fire.

A low and high temperature drier will be another feature of the building for the drying of seeds and determination of the dry-matter content of corn, soybeans, and forages. Three threshing rooms will be provided.

The most modern seed-cleaning plant in the province will be an additional feature. Foundation seed and plant breeding seed will be cleaned and treated, and a course in seed cleaning is planned shortly to train seed cleaning plant operators.

Still wider recognition has been gained by Elwood Glover. Recently a top American magazine claimed for him the title "Canada's Top Disc Jockey." Glover is indeed Canada's best-known and most popular announcer, heard the length and breadth of the country on both radio and television on such shows as "Singing Stars of Tomorrow," "The Firestone Hour," "Juke Box Jury," "Liberace" and a daily programme of his own. He has been with the CBC for sixteen years and has two hobbies — collecting ancient firearms and telling about an extended trip he made to Europe recently, visiting Continental radio stations and interviewing European jazz musicians.

Weed of The Week

BARBERRY AND BUCKTHORN HOST PLANTS FOR RUST

Barberry and Buckthorn are the plants that act as host for rust which, when it strikes grain crops cuts the yield and often results in the loss of most of the crops, reports the Field Crops Branch, Ontario Department of Agricultude.

Rust spores or black rust winter on grass, straw and stubble. When spring arrives the spores open up and settle on the leaves of Barberry and Buckthorns, going on to reinfest the leaves and stems of cereals to produce red rust. Once established the rust becomes airborne and infests other grain fields when climatic conditions are favorable. For this reason both Barberry and Buckthorn should be destroyed wherever they are found.

Common Barberry which is host to stem rust of cereals, is a shrub that grows from three to ten feet tall with yellow wood under a dull grey bark. The leaves are a bright green with saw-toothed edges and three or more short sharp spines are found under each set of leaves. Barberry produces clusters of red berries which may remain on the shrub during the winter.

European Buckthorn produces leaf rust of oats. This shrub or tree has deep green leaves which remain on the tree at least two weeks after the leaves of other trees have fallen. It grows from five to twenty feet in height and resembles a wild apple or chokecherry tree. Black, bitter tasting berries cling to the tree all winter.

Both these shrubs are to be found in waste land and along fence rows. Cutting is of little value as they will produce from root stalks. Dry Sodium Chlorate or Altacide placed on the roots will kill the plants but care must be taken to see that cattle do not have access to treated areas. Another effective method of eradication is a basal bark treatment using oils and Brush-Kill applied to all sides of the shrub from the roots to a height of two feet above the ground.

JUDGE FREDERICTON SHOW

Roy Ormiston, of Brooklin, former central Ontario Fieldman for the Holstein Association, will judge the New Brunswick provincial championship show at Fredericton Exhibition, September 8th and 9th.

Toronto district championship show is scheduled for September 2nd and 3rd at the C.N.E. with J. D. Innes as judge.

Some of the county Black and White Days are: Lennox and Addington at Napanee Fair, Sept. 8th.

Durham County at Orono Fair, N. W. McConkey, of Peterborough, judge, September 11th.

Northumberland County at Warkworth Fair with George W. Jackson, judge, September 24th.

Ontario County, at Port Perry Fair, September 6th, where the juduge will be Guillermo Bullrich of the Argentine.

Victoria County Black and White Day, September 23rd at Lindsay Exhibition.

Central Ontario Championship Holstein Show is October 8th at Peterborough Exhibition Park with E. A. Innes as judge.

Norman McConkey will be judge of the Holstein cattle at the Ottawa Winter Fair, October 27th and 28th.

Roy Ormiston will be judge of the Frontenac County Black and White Day at Kingston Fair, September 29.

George A. McLaughlin, of Oshawa, has been given the judging assignment of Prescott County Black and White Day at Vankleek Hill Fair September 17th.

CONSERVATION NEWS!

Forest Protection

To date we have had a total of 35 fires in this District during the current fire season. One small fire occurred in the Township of Dungannon on Thursday, the first reported since the 24th of July. The danger rating was low during most of the week but near the end of the week was up to the medium bracket.

Rangers throughout the District took advantage of the low fire hazard to carry out lands and timber inspections, maintenance of telephone lines, painting of buildings and various other jobs assigned to the ranging staff.

Fish and Wildlife

Thirty years ago there were perhaps only a dozen lakes and streams which contained speckled trout in the Counties of Hastings, Lennox and Addington, Frontenac and Lanark. In the interim years, enthusiastic trout anglers discovered many suitable waters and most of these have received annual plantings of hatchery stock with excellent results.

With the hope of establishing a reserve supply and regardless of almost insurmountable difficulties stock was carried in pack cans to isolated areas unmarked by trail or road. This has proven no obstacle to the trout fisherman. All he needs is the barest rumour and his erring instinct, like the homing pigeon, will lead him to any remote location where speckled trout abound. Proof of this was furnished to Officers Bob Davison and Everett Ferguson one day last week.

They were making an investigation concerning a report of pre-season deer hunting and found instead, an Ottawa citizen with 26 speckled trout for one day's catch. They are still wondering how this angler was able to discover the location of the stream and particularly, how he learned that it had been stocked. Apparently he suffered from a twofold fascination, one of which proving not only poor sportsmanship but expensive.

Many anglers are taking advantage of the last few days of the speckled trout season. Much to the amazement of local citizens four fishermen took 10 trout aggregating 27 pounds from a small lake near Denbigh Village. During the past five years these waters had not been visited with the belief that the population of trout was most incidental.

Twenty-seven per cent of Canadian family units spend more than $100 a year on health care.

In 1953 Canadians bought more new cars than ever befoere — 461,887 up 15 per cent from 1952.

Protects People Against Losses

(Continued From Page Six)

tario. Ontario has a reciprocal arrangement with about 40 of the States, whereby our judgments are honored.

When a Michigan trucker was involved in a recent Ontario accident, for example, a court assessed him $3,000 damage. When the other motorist involved found he could not collect, he was paid from the fund. Ontario then notified Michigan authorities of this. The State promptly cancelled the trucker's driving permit. Within a week, his lawyer contacted Fund officials and restitution was then made, so that he could regain his driving privileges.

The virtues of the Fund are becoming more widely recognized constantly. One United States resident thinks so highly of it he has made himself a self-appointed apostle on a crusade to have the same type of legislation enacted in his home state of Florida. John F. Duffy, St. Petersburg, has had pamphlets printed and distributed explaining the set-up of the Ontario legislation. He wants other Florida residents to keep after their Legislators until similar legislation is put on Florida's statute books.

When this law was written into the Highways Traffic Act of Ontario by the Department of Highways, only one province, Manitoba, had a similar plan. But it did not provide protection against hit-and-run drivers, and Ontario pioneered in including such compensation. Since 1947, five other provinces have adopted a similar plan. Alberta, British Columbia, Newfoundland, Nova Scotia and Prince Edward Island now have such Funds. North Dakota has also put this law, in modified form, on their statute books, while New Jersey's, which conforms more closely to the Ontario pattern, goes into effect in 1955.

Only awards and costs are ever paid out of the Fund. All administration costs and salaries are met from general revenue. In addition no awards are ever met by the Fund, until the party seeking settlement, has satisfied the courts that the amount cannot be collected from any source.

Sometimes the party guilty of an accident will offer to make settlement in instalment payments. Claimants for damages urged by legal authorities at Queen's Park to pursue this avenue of recovering settlement. Often, when a motorist finds that all driving privileges will be suspended if the award is met by the Unsatisfied Judgment Fund, he may make an extra effort to pay in this manner.

When this is done, the privilege to own and operate a car is restored, providing proof of financial responsibility against any future actions is filed with the department. However, driving privileges are not restored if the award is met out of the Unsatisfied Judgment Fund, until the full amount has been repaid.

Another interesting feature of the legislation concerns that of an undefended action. The Minister of Highways must be notified and have a representative for the Fund at the trial. Otherwise, should an award be made and later found to be uncollectable, there would be no recourse to the Fund. This protects the Fund, preventing a person from setting an award for damages which might be considered unjustifiable. It also protects the interests of the defendant, who will have to meet the obligation before he can ever again have driving privileges. It also insures a claim is not intended for insurance purposes, as no money is ever paid to insurance companies.

An increasing percentage of motorists today protect themselves with liability insurance. Officials estimate between 80 and 85 percent of motorists carry some form of protection today, as against 70 to 75 percent when the fund came into operation. With the Fund, the motorist cannot escape through neglect or inability to protect himself and others on Ontario's roads.

Average payment out of the Fund in 1952 was about $2700, while the average for the previous three years was about $2200. It is getting more and more expensive to have an accident today. This is believed due to a tendency of the courts to award higher damages, now that the fund is available, plus the fact that medical and hospital bills have increased, and repair bills are costlier.

Officials feel that the saturation point as far as commencement of actions is concerned, has been reached. While the future may show an increase in payments, increases in the number of motor vehicles registered and the total mileage driven.

Little Buster Buchanan who lives with his grandparents, Mr. and Mrs. Harry Petherick, has returned home from Campbellford Memorial Hospital where he was taken following an accident, when he fell out of his grandfather's car, fracturing his skull. He is progressing favourably.

Dorothy and Donna Morton accompanied their grandmother, Mrs. Mary Jane Murray, who has been visiting here, to Oshawa and Whitby, where they will visit their aunts, Mrs. Harry Barrons and Mrs. Percy Gibson, and families.

Percy Finch, Roy Petherick and George Wilson, of Springbrook, and "Chuck" Lisle, of Stanwood, left on Sunday for a motor trip to the West.

The Army has been on manouvers in this vicinity. They have excited a lot of comment and curiosity. They "captured" Rawdon Township on Friday and took over Marmora Township on Saturday. They also "liberated" about 70 cattle on a ranch on the 8th Concession of Rawdon, which were later "captured" again by the owners. They put on quite a show of mechanical warfare.

A serious brush fire was narrowly averted on Friday by the salesman for Canada Bread, who discovered it during his rounds and stamped it out. It was no doubt started by a careless smoker, throwing away a lighted cigarette.

Mrs. Jessie Morrison, her son, Roland, and his wife and children, were Sunday visitors of Mr. and Mrs. Charles Stewart. Mrs. Morrison stayed for a few days' visit.

Little Tommie Thomson has returned home after undergoing a serious operation in Belleville General Hospital recently. He is convalescing favourably.

St. Andrew's Presbyterian Church Stirling, Plans For Centennial

Rev. Charles G. Boyd, of Peterboro, and Rev. W. A. Cameron, Toronto, to Speak

The Centennial of St. Andrew's Presbyterian Church, Stirling, will be observed on Sunday, October 24th, and Sunday, Oct. 31st, 1954. The special ministers will be Rev. Charles G. Boyd, B.A., of Peterboro, and Rev. William A. Cameron, B.A., D.D., of Toronto.

Rev. Boyd is the pastor of one of our largest congratulations, St. Paul's in Peterboro, and comes highly recommended as an Anniversary speaker. He will be guest minister at both anniversary services on October 24th.

Rev. Dr. Cameron, Toronto, is the retiring Moderator of the General Assembly of the Presbyterian Church in Canada. He has been pastor of some of our leading churches in the West, and has held important posts in the Toronto Office. The elevation of this conscientious and hard-working servant of the Church to the highest post in the Church is a crowning recognition of his own worth and the work accomplished by him. Dr. Cameron will be anniversary speaker on Oct. 31st at 11 a.m. to 7.30 p.m.

Committee Met Tuesday Night

Another meeting of the Centennial Committee of St. Andrew's Presbyterian Church was held last Tuesday evening in the Church Parlours when encouraging reports were given by the various committees.

Plans include a banquet on October 25th and a Centennial Tea and Bazaar on Nov. 4th.

Invitation cards will be sent out to former members and the following committee members will be glad to receive names and address of the same: Miss Gena Spry, convenor; Chas. Fargey, Mrs. K. Ray, Don Fargey and Mrs. L. Rodgers.

After discussing a few other suggestions for the Centennial, the meeting was closed with prayer by the minister.

Attend Grand Chapter Sessions

Mr. and Mrs. H. R. Tompkins and Mrs. W. T. Elliott are in London this week attending the sessions of the Grand Chapter of the Order of the Eastern Star. Mr. Elliott attended the opening banquet and dance on Tuesday night.

The McArthur's Mills Club will hold its Achievement Day on September 18th.

Doreen Fox And Beverly Hackett Exchange Vows

A wedding of much interest took place at St. Andrew's Presbyterian Church, Stirling, on Saturday, September 4th 2.30 p.m., when Doreen Rosalind, daughter of Mr. and Mrs. Earl Fox, became the bride of Beverly Bryce Hackett, son of Mr. and Mrs. Theodore Hackett, of R.R. 2, Demorestville.

Rev. W. H. V. Walker officiated in the double ring ceremony before a background of mixed gladioli.

The wedding music was played by Mr. Gerald Taylor. Before the ceremony, Mr. Wm. Colclough sang, "Because", and during the signing of the register, "I'll Walk Beside You".

The bride chose a gown of white Chantilly lace and nylon net over satin, full skirt, fashioned with strapless bodice and matching jacket with long sleeves. Her finger-tip veil was held by a heart-shaped coronet of seed pearls and she carried a heart-shaped bouquet of red roses and white 'mums.

Given in marriage by her father, the bride was attended by her four sisters, Mrs. Douglas Wanamaker, of Peterborough, as matron of honour, and Mrs. Howard MacDonald, of Stockdale, and Misses Isabelle and Sally Fox, of Stirling, as bridesmaids.

They wore full-skirted gowns of lace and nylon net over taffeta, (two in pink and two in shrimp), with strapless bodice and lace jackets, matching feather headdress and carried feathered fan shaped bouquets of cornflowers, carnations, 'mums and gladioli petals.

The bridegroom was attended by his brother, Mr. Don Hackett, of Demorestville, and the ushers were Mr. Thomas Duff, of Alliston, cousin of the bride, and Mr. Ron Eaton, of Oshawa.

The reception was held in the Presbyterian Church parlours, where the bride's mother, attired in a navy gown, with navy and white accessories and corsage of red roses, received the guests, assisted by the bridegroom's mother, who wore Royal blue, with lime green accessories and corsage of Talisman roses.

Following the reception, the happy couple left on a motor trip to points in Western Ontario. For travelling the bride chose a navy dress with blue and white accessories.

On their return, the young couple will reside at 152 Church St., Belleville.

Guests were present from Belleville Hamilton, Peterborough, Alliston, Picton, Demorestville, and Wyandotte, Mich.

Loses Mother

Stirling and district friends of Rev. W. G. Fletcher, Minster on the Rawdon Circuit, will regret to learn of the death of his mother, Mrs. W. P. Fletcher, in Kingston Hospital on Friday.

The funeral services were held at Oshawa on Tuesday afternoon of this week.

Home From Tour

Miss Marilyn Eggleton returned on Monday from a two months' tour of Europe and the British Isles and resumed her teaching duties in Toronto on Tuesday.

To Teach Music In Schools

Miss Barbara Meiklejohn, of Marmora, and formerly of Springbrook, has been appointed Music Supervisor for Centre Hastings District Public Schools. She will teach music in nine schools, her duties to commence with the reopening of schools on September 7th.

Miss Meiklejohn took a special course at Toronto this summer in preparation for this work. She has a high musical standing in both vocal and instrumental music and should be well fitted for the position. Her friends will wish her every success in her new work.

Miss Meiklejohn was a student at Stirling High School.

Mr. and Mrs. Leonard Sharpe Celebrate Fortieth Anniversary

Mr. and Mrs. Leonard Sharpe, of Mount Pleasant, Rawdon, celebrated their fortieth wedding anniversary at their home, Thursday evening, September 2nd, with about twenty guests in attendance. The party was sponsored by Mr. and Mrs. Burton Sharpe and the house was nicely decorated with gladioli and asters.

Mr. Sharpe is the youngest son of the late Mr. and Mrs. Peter Graham Sharpe, of Mount Pleasant and Mrs. Sharpe was formerly Edna Snarr, daughter of the late Mr. and Mrs. Thomas Snarr, sixth concession, Rawdon. The wedding was held at the bride's home September 2, 1914, with Rev. J. A. Cornell, pastor of Rawdon Circuit officiating. They have two children, Burton and Ruth, and two grandchildren, Carol and Jean.

The honoured couple received numerous congratulatory cards, individual gifts and the brothers and sisters made the presentation of an electric floor lamp and their family gave them a dinner set. Dainty refreshments were served by Burton, Marion and Ruth. A sister, Mabel, Mrs. Ray Armstrong, Toronto, was unable to attend.

The guests in attendance were: Mrs. Hugh Morton, Mr. and Mrs. Floyd Armstrong, Mr. and Mrs. Will Johnston, Stirling; Mrs. Frank Johnson, Brighton; Mr. and Mrs. Jack Brown and Mr. and Mrs. Will Snarr, Hoards; Mrs. James Sharp, Ridge Road; Mr. and Mrs. George Watson, Wellman's. A short programme of music and singing was enjoyed during the evening.

Films Shown At Foxboro W.A.

The Foxboro Anglican Woman's Association met recently at the home of Mrs. Reid. The devotional service was conducted by the Rev. H. C. Secker, with Mrs. Joclyn leading in special prayers and Mrs. Ash reading the Scripture. Mrs. H. Gay, president, presided over the business.

The Rector showed a film strip on the subject of Christian Symbolism. Refreshments were served by the hostess and Mrs. H. Wickett.

Injured In Car Accident

Relatives of Mrs. R. Chambers are pleased to report that she is making rapid recovery from the injuries she received in a car accident last week on the Township road, near Stirling. Mrs. Chambers, who was thrown out of the car, received many painful bruises and a broken rib. She miraculously escaped fatal injury. The large blood clot has been removed from her forearm and she is returning to the home of her daughter, Mrs. George Burkitt, Frankford, this week end.

Rylstone

(Held over from last week)

The last open air concert of the season was held at the picnic grounds, Crowe River Bridge, on Sunday night, with another large crowd in attendance. After words of welcome by Mrs. Wilfred Spencer, Rylstone Women's Institute President, and Mr. Bourne, picnic grounds operator, the programme was announced by the convener for Community Activities, Mrs. Donald Kerr, and was as follows:

Theme song, "Church In The Wildwood;" several selections by the Havelock Kiltie Band; community singing, led by Anne Nicholls and Dick Koning of Campbellford, with accordion accompaniment by George Nicholls; vocal solo, "Stranger of Galilee," by Mrs. Don Stewart, accompanied by George Nicholls; encore, "Jesus Keep Me Near The Cross; vocal duet, with accordion accompaniment, "It Pays to Serve Jesus," by Mrs. Tom Wallace and Peter Edwards, Campbellford; encore, "Jesus The Crucified;" guitar solo, "It Is No Secret," by Joie Dickinson, of Stanwood; vocal duet, "Ga Niet Aeleen Door Et Levon," by two Dutch sisters, Greta and Joyce Stotten, who came to Canada just six weeks ago; encore, "Als G'in Noodt Gezetin;" vocal and guitar duet, "Thirty Pieces of Silver," by Joyce and Elizabeth Barnum; encore, "It Is No Secret;" vocal and guitar solo, "Cowboy Don't Forget Your Mother," by Mrs. Fred Thomson, Campbellford; encore, "When My Blue Moon Turns To Gold Again;" vocal and two guitar duet, "In That Beautiful Land," by the former Gibson sisters, Mrs. Ralph Heath and Mrs. Walter Reid; encore, "One Night As I Lay Dreaming." Several selections were given by the Havelock Kiltie Band, ending with "Ault Lang Syne."

Short "thank you" speaches were given by Mrs. Wilfred Spencer, Institute President, and Mrs. Ernest Irwine, former Board Member of the Federated Institutes of Ontario, thanking all those who had taken part in the concerts and to all the audience who had helped by their attendance and attention. A special "thank you" was given Mr. and Mrs. Bourne for their co-operation in making it possible for the concerts to be held, and to the Turnbull Elevator Co. for loaning their loudspeaker equipment.

The concert came to a close with the singing of the National Anthem and the hope that we might have someting of the same next summer.

From time to time this reporter hears complaints of people being hurt because their names are not mentioned in the local news column. Just recently it was brought to her attention by a friend. The reporter is a housewife with all the duties that brings and also has another away-from-home job. So it is impossible to spend a great deal of time gathering news, unless people are good enough to phone or tell the reporter about any news items they know.

A few kind folk in the neighbourhood do phone in items, which are much appreciated. It has even been said that "just a certain few" are mentioned in the paper. This is not true, except that the reporter does not have time to canvass the whole community for local visitors and happenings. The local papers cannot afford to pay their reporters enough to spend much time on it.

Local news columns do not bring them much in financial returns, but they are certainly appreciated by former residents and people who are temporarily away from home, who may be getting the News-Argus sent to them.

There are people who appear to be afraid to tell a reporter anything, in case its "put in the paper." Yet these very people complain if they are not mentioned. We should all be glad to see our own community and everyond in it being noticed, so come on folks, help the reporter get "all" the news. We don't miss anyone, if we know it; and we'll be very glad of any assistance at any time.

Dewart -- McWilliam Nuptials Held In Toronto

Of wide interest was the marriage of Miss Joanne Elizabeth McWilliam, daughter of Mr. and Mrs. Cecil E. McWilliam, to Dr. Leslie Dewart, son of Senora Adamina Duarte-Ramo, of Havana, Cuba, and the late Senor Gerardo Gonzalez-Cazorla. Very Rev. G. B. Flahiff performed the ceremony in St. Basil's Church, Toronto, on Thursday last.

The bride, given in marriage by her father, was attended by Miss Marilyn Kelly and Miss Lethem Roden, of Toronto, and Miss Suzanne McGrath, of Sarnia. Dr. Arthur Monahan, of Brantford, was best man, and the ushers were Messrs. Andrew Foley, of Brookline, Mass.; Frank Garzynski and Patrick Brown, of Toronto, and Richard Hinners, of Wellesley Hills, Mass.

A graceful gown of white silk taffeta was worn by the bride. The bateau neckline of the long-sleeved bodice was outlined with lace applique, and similar applique enhanced the skirt, which ended in a chapel train. Her long veil of net was appliqued with lace, and she carried a white bouquet. Her attendants chose waltz-length dresses of deep blue crystalette, bandeaux of matching velvet flowers, and carried white and blue bouquets.

The reception was held at Prince Arthur House. Dr. and Mrs. Dewart will live in Detroit.

Ontario Will Not Eliminate Exams Or Competition

Education Minister Dunlop says Ontario will not eliminate examinatons or competitive methods from teaching methods in schools in the privince.

Speaking at a Canadian National Exhibition directors' luncheon, Dr. Dunlop departed from a prepared speech on various statistics on education to take a few raps at modernists' theories concerning education.

Answers Critic

Proposals made at Toronto at a meeting of the World Mental Health Congress received special mention in the education minister's remarks.

"I noticed that at a great congress recently in Toronto where a group of very positive and voluble men and women who were not teachers were ready to tell teachers how to teach, one authority set forth his ideas.

"He said all examinations should be abolished. Now wouldn't that just be lovely! Of course, if you don't teach the children anything, there is little reason for examination to see just what they did learn."

Dr. Dunlop said the speaker made four other suggestions: Throw out all vindictive teachers, throw out all over-intellectualized teachers and not have pupils in classes more than 50 per cent of the time, but take them out to see lessons in life.

Questions Meaning

He said he's been around teachers a long time and couldn't recall any that could be described as "vindictive." He questioned what over-intellectualized means and just what lessons in life are.

He said modernists would cut out competition, claiming it discourages children.

As a teacher, Dr. Dunlop said he had never found this to be true. "Children must face competition in adult life all their lives. Why shouldn't they be prepared for it? Why shouldn't they learn that clean competition is not wrong?"

It costs four times as much to build a house in Canada as it does in Germany.

Mrs. Percy Utman Hostess To River Valley Women's Institute

The regular monthly meeting of the River Valley Women's Institute was held on Thursday, September 2nd at the home of Mrs. Percy Utman, Front Street, Stirling, with twenty-two ladies in attendance.

Mrs. Ross Bush presided and Mrs. J. L. Donohoe gave her report. Letters of thanks were read for fruit boxes received. The October meeting will be held at the home of Mrs. Ralph Utman with Mrs. Ernest Carr and Mrs. Gilbert Finkle in charge of "Agriculture and Canadian Industries."

Mrs. Will Ashby presided and Mrs. Percy MacMullen summarized a letter written by Norah Bailey, of Vancouver, and published in the English "Home and Country" in June of this year, Mrs. Bailey and her husband came to Canada in June 1953. She was a valued member of Sussex W.I. before coming to Canada and her impressions of us Canadians was a bit amusing. Mrs. MacMullen also gave a reading later in the programme. This number she had learned in 1914 for a box social at the Williams School.

Miss Cheryl Utman with her mother as accompanist sang, "Why Don't You Love Me Like You Used To Do."

Mrs. Roy Bush summarized the programme for the Area Convention which will be held in Belleville in October. The display is modern handicrafts. She also introduced the guest speaker.

Mrs. Harold Detlor
Guest Speaker

Mrs. Harold Detlor, Pinegrove W.I., attended the Presidents' Conference in Guelph and she brought a wealth of information to the group. She urged the ladies to read "Home and Country" magazine and said the Conference stressed the necessity of reading your "Hand Book" and conducting the meetings along the lines of parliamentary procedure. Mrs. Detlor touched on various departments such as Scholarships for young women; the theme, "Begin where you are with what you have;" and the work of the United Nations, especially U.N.E.S.C.O.

It was emphasized that we stress better homes, better communities with special dignity given to homemaking. Civil defence was studied and many people are being trained in this work. Religion and politics are essentials that should be taught in every home.

Mrs. Detlor read an interesting report, setting out exact details for conducting Institute meetings properly, and stressing educational, cultural, practical and social aspects. She explained proper procedure in signing minutes, in balloting on a question and many other items which were of interest. The aim is to have uniform programmes in all Institutes based on the needs of each community.

Mrs. John Kane voiced thanks for the informative report.

Mrs. Ashby read a paper prepared by her assistant, Mrs. Gerald Brooks. This was gleamed from "The Country woman of the World" and told of the work of the U.N.I.C.E.F. which assists children in sixty-eight countries of the world.

The meeting closed with the National Anthem, after which the hostess and lunch committee served refreshments.

Mrs. Gilbert Finkle voiced thanks for hospitality, programme and lunch.

Holloway

(Too Late For Last Week)

Mr. and Mrs. Coleman Townsend, Douglas and Ralph spent a few days last week, visiting friends at Camp Borden and Toronto where they attended the C.N.E. for a day.

Master Peter Keift spent a few days last week with Raymond and Paul Emerson.

On Thursday evening of last week neighbours and friends gathered at the home of Mr. and Mrs. James Reid to honour their daughter and husband, Mr. and Mrs. Gerald Bailey on their recent marriage. They were presented with a coffee table, for which they expressed their thanks.

On Saturday evening neighbours and friends gathered at the home of Mr. and Mrs. Roscoe Robson to honour John Robson and his bride. They were presented with a Kenwood blanket, for which John expressed thanks to all on behalf of himself and his bride.

We wish both couples every happiness.

A good crowd from here attended church service at Foxboro on August 22nd to hear the Rev. Harold Giffin deliver his farewell service. Rev. Giffin has accepted a call to Carleton Place.

On Saturday evening, August 21st, the congregation of Holloway Church met in the church parlour for a pot luck supper and to honour the Rev. and Mrs. Giffin before their departure from our midst. They have spent the past three years on Foxboro Circuit and it was with much regret to say "good bye" as they have made many friends in their splendid work amongst us.

After the supper hour was over, Mr. Earl Snider called the gathering to order and Mrs. Ed. Emerson read an address to them. They were presented with a coffee table from the congregation, and on behalf of the W.A., Mrs. Embury Hough presented Mrs. Giffin with a lovely dish. They both expressed their thanks. All joined in singing "For They Are Jolly Good Fellows" and each and everyone wished them happiness and success in their new Charge.

Rawdon Council

Rawdon Township Council met at the Township Hall, Harold, on Wednesday, September 1st, with the members all present.

Spry and Sarles that the following sheep accounts be paid on completion of affidavit: Eddie Colden, $17.00; W. J. Tanner, $20.00; also J. C. Bateman, one valuation $2.00; and Eddie Colden, three valuations, $6.00.

Mumby and McAdam that the Treasurer for the City of Kingston be paid $$22.03 relief voucher for October 1953 and $19.46 relief voucher for July 1954.

Sarles and Mumby that Road Voucher No. 8A for $7,965.32 be paid.

McAdam and Spry that Council adjourn to meet Monday, October 4th, 1954, at 1.30 p.m.

Prairie Wheat Delivery Quota

The position of the prairie farmer approaching his 1954 grain harvest is briefly this: He may deliver to the Wheat Board 300 bushels of his current crop, for which he will be paid $1.40 a bushel (or No. 1 Northern), or a total of about $370 on a crop of average grade. He can get about the same amount for equivalent quantities of oats and barley. That, of course, is an initial payment to the man who has few or many thousands of bushels for sale. The latest estimate of carryover of wheat is 585,500,000 bushels, with some swatchng already begun on the new harvest.

New Machine

A machine for making apple sauce is being made at the Tweed Steel Works for the Coldbright Cold Storage Co., of Colborne, Ont. When this machine is put into operation it will be the only one of its kind in Canada.

It looks fine on A BATHING BEACH

but very inadequate for stormy weather. There is an affinity between clothing and fire insurance. When you put your fire policy away in the safety deposit box it might look pretty good. But, after the fire, when you take it out to show the adjuster, how will it look then? Pretty inadequate at today's prices?

S.S. Teachers Present Bible To Former Teacher At Madoc Junction

On Thursday evening Mrs. Warren Harlow, superintendent; Mrs. Carl Bridges, Mrs. Bert Reide, Mrs. C. Fitchett and Mrs. Maurice Clancy, teachers of the Eggleton Sunday School, at Madoc Junction, met at the home of Mr. and Mrs. Murney Kirkey to visit with Mrs. Kay (nee Norma Kirkey), who with her husband and infant son, are spending a couple of weeks with relatives here.

A few years ago, Mrs. Kay spent a year at Mr. and Mrs. Kirkey's while attending high school in Stirling. During that time she took part in the Friendship Circle gatherings and was assistant teacher of the primary class at Sunday School.

Over a year ago Norma was married and since then has resided in Oshawa. So this was the first opportunity to visit with her.

Mrs. Harlow gave a short address, extending best wishes for many years of happiness and asking her to accept a leather bound Bible from the officers and members of Eggleton Sunday School.

Norma graciously expressed her thanks.

RING ROT INSPECTION AVAILABLE ON REQUEST

The importance of controlling Bacterial Ring Rot disease in potatoes is emphasized by the Field Crops Branch of the Ontario Department of Agriculture which is again this year, at the request of grower organizations, providing an inspection service of commercial fields of potatoes. As the disease is most easily detected late in the growing season when the tops are still green, the service will begin at once.

It is intended that all principal potato producing areas in the Province will be covered as thoroughly and as speedily as possible. However, potato growers who wish to make sure that their crops will be given attention may advise their local Agricultural Representative or forward their request directly to the Field Crops Branch, Ontario Department of Agriculture, Parliament Buildings. Toronto.

During 1946 there were 673 incidences of Bacterial Ring Rot disease reported in Ontario. This number was reduced to 181 last year with losses reduced many thousands of dollars. This year it is hoped to reduce the loss still further.

THE VALUE OF A SMILE

No person has ever added up
The value of a SMILE;
We know how much is a dollar's worth
And how much is a MILE;
We know the distance of the Sun,
The size and weight of earth,
But no one here can tell us just
How much a SMILE is worth.

IN LIGHTER VEIN

"But darling," said the prospective bride, "if I marry you I'll lose my job."

"Can't we keep our marriage a secret?" asked her fiance.

"But suppose we have a baby?"

"Oh, we'll tell the baby, of course."

WHAT OTHERS SAY!

POWER IN THE CAR

(Brockville Recorder and Times)

We believe that if the standard of driving was raised in this province by far stiffer tests all-around for licences, there would be no need to worry about the fact that power in car engines has been increased.

Power is a safety factor in a car if the driver behind the wheel is competent. Through the years we have driven cars of 60 h.p. and today cars of 160 h.p. and we are here to say that the powerful car of today, properly handled, is a far better, safer and more reliable machine than ever its old predecessor was.

Let's put the blame where it belongs — on drivers.

HIGH-COST COUNTRY

(Toronto Globe and Mail)

Explaining why they had ordered a million bushels of corn from South Africa, officials of a Montreal company said it was cheaper — even after transport charges — than the Canadian product. We are not surprised to hear this. We would not be surprised to hear that Canada was importing wheat or newsprint. Over the last few years, this has become a high-cost country; the highest-cost country in the world. Practically everything it produces is produced more cheaply elsewhere.

Even the United States has lower costs and prices than we have. Time was when Canadians crossing the border were shocked at American prices. Now, it is the Americans who are shocked. How shocked, can be judged from the figures on tourist spending last year which have just been announced from Ottawa. During 1953, American visitors to Canada outnumbered Canadian visitors to the U.S. by about five million. But the Americans spent, on the average, only $52 per visit. The Canadians spent, on the average, $86. So Canada took a loss of some $25 million on the interchange.

Every Canadian knows why people from this country spend heavily when they get below the border. They see all kinds of things there selling at what seem to them bargain prices. And every Canadian ought to know why Americans, who were once good patrons of Canada's retail stores, now keep their money in their pockets. They don't like what they see on the price tags.

This newspaper has warned for a long time that continuously rising costs could reach the point where they would wreck our economy. It gets no pleasure from the mounting evidence — some new piece comes in every day — that this point has been reached. It only hopes that the evidence will be taken as seriously as it needs to be taken. aad most of all by the Canadian Government. Ottawa has done much to push up costs. It can do much to bring them down. Let it start with a real cut in taxes.

CONSERVATION NEWS!

Forest Protection

Another week has gone by without any fires being reported for the Tweed District, but while we have been fortunate so far this summer there should be no relaxing of care in the handling of camp fires or smoking materials while travelling in forested areas.

Our construction progamme for the summer is well under way. Improvement work is progressing at the Dacre Chief Ranger Headquarters and White Lake Hatchery. Construction commenced this week on the new combined warehouse and workshop at Tweed. We still have quite a building program aheal of us and there will be plenty of work to keep rangers occupied for as long as we can retain them on duty in the fall.

You can bet your bottom dollar on Chevrolet

price! economy! performance! appearance!

Buy it for less! But as important as price is, don't overlook Chevrolet value — for Chevrolet stands unchallenged in all the important advantages of modern motor travel. Visit your local Chevrolet dealer and see how this is the one car that will exactly fit your family's needs — and your family's budget.

• • •

Compare Chevrolet economy. Ask yourself: "What's the car's reputation? How is it on gas? On oil? On service?" It stands to reason that the car with the highest reputation in these vital ways would be in greatest demand . . . and Chevrolet has been first in demand — first in sales — for over two decades.

• • •

We leave this up to you. Visit your local Chevrolet dealer and Road-Test Chevrolet's smooth and instant response. Test it in the traffic, on the highway, on steep hills. You'll agree that high compression, valve-in-head power can't be beaten — and only Chevrolet has it in the low priced field.

• • •

Let your own eyes tell you about Chevrolet's fine car beauty. And remember! Underneath that gleaming finish and sweeping style is famous Body by Fisher. That's your guarantee not only of lasting good looks, but of greater comfort, safety, and quality, also. See Chevrolet at your local dealer's today.

Mr. and Mrs. Gerald Bailey Showered

On Monday evening of last week, despite the stormy evening, about 100 friends and relatives gathered in the Carmel Jubilee Church Hall, and tendered Mr. Gerald Bailey and his bride, the former Miss Jean Reid, of Holloway, a shower. Mr. Jim Hubel, as chairman for the evening spoke briefly.

The programme opened with community singing, led by Douglas Pyear, with Mrs. Arthur Pyear as accompanist. Mrs. Gerald Clancy played a piano solo; Miss Jean Grills read a humourous selection; Sherwood Reid played a piano solo; Miss Joyce Bailey and Mrs. A. Pyear gave a piano duet.

Mr. and Mrs. Bailey were given seats of honour at the front of the hall and Dale Hubel read an address from the charivari gang and Gerald Grills presented Gerald and Jean with an electric table lamp.

Mrs. Douglas Pyear read an address on behalf of the community and Harvey Couch and Douglas Pyear presented them with two upholstered chairs and an end table. A number of gifts from relatives were also opened and displayed.

Gerald thanked everyone on behalf of Jean and himself for the lovely gifts they had received and invited everyone to come and visit them in their new home.

Refreshments were served and everyone enjoyed a social half hour.

Rylstone

On Wednesday afternoon, September 1st, Mrs. Carl Reid was hostess to the Rylstone Women's Institute, with a good attendance of members and visitors. The meeting opened in the usual way with the singing of the Institute Ode and the Mary Stewart Collect. The roll call was answered by "the name of a flower with the same initial as your own". Minutes of the July meeting were read by the Secretary-treasurer. There was a discussion on prizes for the Campbellford Fair. Money for the Girl's Club bus trip to Toronto Exhibition and the museum was given to Mrs. Brick, Club leader, for the girls. Reports on the open-air concerts at Crowe River Bridge, were given by the committee members. Mrs. Fletcher Wildman, convenor for "Agriculture", was in charge of the following programme: piano solo, "Isle of Capri", Margaret Spencer; reading, "Growing Sunshine" Mrs. Alfred Akins; vocal and accordion duet, "I Get So Lonely", by Mrs. Bob Spencer and Margaret Spencer; contest, "Menu for a Full Course Meal", Mrs. Carl Linn; topic, "Land Conservation", Mrs. Ellis Jones; demonstration on foil painting, Miss Violet Wright. School Board Authorizes Purchase of New Seats and Supplies

Teacher of Music To Be Engaged On Part Time Basis By Teachers' Committee

In order to cope with the increased attendance at the Stirling Public School this year, the purchase of six additional seats was authorized by the School Board at its meeting on Monday night. Chairman W. H. Donnan was in the chair and Messrs. R. A. Patterson, E. D. Ketcheson, R. E. Fox, C. E. West and H. R. Tompkins were in attendance.

R. W. Meiklejohn, secretary-treasurer, read a communication, pointing out that any equipment on which a grant was given, must be approved before purchase.

Principal Gillies addressed the Board relative to the purchase of a varied list of supplies for the various rooms in the school as well as some sports equipment. He also listed a number of recommendations for the Board's consideration.

On motion of Messrs. Fox and Patterson, the purchase of the supplies was authorized.

Music Teacher

Principal Gillies, in recommending the employment of a music teacher on a part time basis, stated he was of the opinion that the method in use for some years past, where one of the present staff taught music throughout the school, couldn't have worked too well. The work in the grades normally taught by the music teacher would suffer due to her absence and the music teacher might well experience discipline problems in other grades. Under the proposed system each teacher would remain in her own classroom and be responsible for discipline. He suggested a schedule whereby each room would get one hour's instruction in music each week.

A lengthy discussion of the finances involved ensued and on motion of Messrs. Patterson and West the engagement of a teacher of music on a part-time basis was authorized, the schedule to be arranged by the Principal and the teacher concerned.

R. A. Patterson, chairman of finance presented the following accounts for payment:

G. B. Faulkner, $6.00; Everett Cooke $3.00; Hatton Hardware, $127.88; T. C. Schwab, $59.00; J. Irish, $2.70; McIntosh and Wells, $5.00; G. B. Noble, $723.83.

Property Committee

Reporting for the Property Committee, E. D. Ketcheson, stated a telephone had been installed in the school and the fill pipe on the oil storage tank had been changed to a more suitable location. The weeds on the lawn had been sprayed with good results and the playgrounds mowed.

Repairs had been made to the window sills and portions of the walls, where the mortar had dropped out and several window screens had been replaced. The furnace had also been cleaned. He had secured an estimate on repainting the frame work around the windows and the doors but didn't recommend that the work be done due to other unexpected expenditures made on the property.

Teachers' Committee

C. E. West, chairman of teachers' committee, stated several applications had been received for the position of supply teacher, but the list had been narrowed to four by the committee. The choice was left in the hands of the committee and the principal.

On motion of Messrs. Ketcheson and Patterson, the membership fee of $6.00 for the teachers in the Horticultural Society was paid.

The Board adjourned to meet October 25th.

Games were enjoyed by the members while the executive committee held a meeting. It was decided for as many as possible to attend the ball game and weiner roast to be held at Foxboro on Wednesday of this week. It was also decided that all members must be fourteen yeears of age or attending high school to become members.

The meeting was closed with taps.

Elaine Footwear Limited Buys Suitable Site For A New Factory

To Call Tenders For Building of Cement Block and Steel Construction 54 x 160

Announcement was made this week by officials of the Elaine Footwear Company of the purchase of a site for a new factory on the corner of Front St. East and Belleville Road from Percy Craighead.

On this site, which consists of approximately one and a half acres, the Company plans to erect a one-storey building, 160 x 50, of cement block and steel construction. The factory will face west towards Coronation Park but there will also be an entrance off Front St. (the township line road).

To Call Tenders

Excavation work has already started and, according to an official of the Company, tenders will be called at once for the erection of the building.

It was in December, 1950, that Messrs. Joe Michalek, Joe Valchan and Geo. Lyons moved their plant here from Frankford and located in the Harlow Block, Mill Street. Later it was found necessary to enlarge their quarters and part of the Sterling Hotel property was rented, but a continual increase in business has necessitated the present expansion. At present the Company employs fifty-four persons, but when the new plant is in operation it is expected this will be increased to eighty, according to a Company official.

Buys Home

A real estate deal of interest was completed last week when Glen Whitehead purchased the double house owned by Ken Belcour, Henry St. He will take possession the first of October.

In Hospital

Friends of F. Clare, Oak Lake. will regret to learn that he is a patient in Belleville Hospital suffering from a heart ailment.

Teaching In Saskatoon School

Miss Doris Thompson, daughter of Mr. and Mrs. Kenneth Thompson. of Springbrook, has been appointed to the staff of a Saskatoon Public School and began her duties September 2nd. Miss Thompson is on the exchange list from Toronto.

Transferred To Hamilton Branch

Robert D. Copeland, who has been a member of the local staff of the Bank of Montreal for the past year, has been transferred to the Westinghouse Ave. Branch in Hamilton, Ont. He began his new duties on Monday of this week. His many friends here, while regretting his departure, will wish him continued success in his new field of labour.

Local Horseman Figures In Accident

John Sheridan, local horseman, figured in an unusual accident at Orono Fair on Saturday last when his team of roadsters was in a head-on collision with Ivan Cochrane's team of Nestleton.

The teams were warming up for the Roadster Class race and were travelling in opposite directions around the half mile track. Mr. Sheridan had his team almost stopped when the collision occurred, and his horses escaped with some minor cuts, while one of the Cochrane horses was seriously injured and had to be destroyed.

News-Argus Had Best Fish Story

The Editor,
Stirling News-Argus
Dear Sir:

This is to let you know that an article appearing in your paper in mid-July has been voted by a panel of ten judges here on "Hello There" as the "best fishing story of 1954" to come from a local paper.

The announcement of this was made over the air on Saturday night in the course of the last programme called "Hello There" for this year (Hello There being CJBQ's tourist show heard four evenings a week from 8 to 8.30).

The winnig story as decided by our judges was this one under the heading of "FISH WITHIN FISH PROVES GOOD BAIT," and beginning "William Ashby, well known local gardener and a fisherman of the first water . . ."

Incidentally, the papers with articles that bowed to this one of yours were the: Belleville Intelligencer, Campbellford Herald; Cobourg Sentinel-Star, Napanee Beaver, Napanee Post-Express, Madoc North Hastings Review, Picton Gazette, Picton Times, Trenton Courier-Advocate, Tweed News.

Once again, our congratulations and keep up the good work.

Sportingly yours,
Gerald E. Boyce,
Fishing Editor and
Producer of Hello There (1954)

Councillor C. A. Wells Appointed Building Inspector By Council

Councillor C. A. Wells was appointed as building inspector for the Village at the regular meeting of the Village Council on Monday night. His appointment fills a vacancy occasioned by the passing of the late E. G. Bailey. Reeve R. K. West presided and Councillors Wells and Philp were in attendance.

Mr. J. B. Belshaw, Stirling's representative on the Centre Hastings High School Board, addressed Council on the transportation difficulties being experienced by the Board.

Chas. Davidson interviewed Council relative to the sale of coal and the installation of an oil burner in the fire hall.

A request from the Stirling Boy Scouts for permission to hold an Apple Day on October 16th was granted.

Clerk Mallory was instructed to write the Highways Divisional engineer relative to passing a by-law covering supplementary road expenditures.

The question of banning the use of sirens on bicycles within the Village limits was discussed at length and on motion of Councillors Philp and Wells the necessary action will be taken.

The question of the purchase of fuel for the municipal building was discussed at length. It was the opinion of the members that only a small quantity of fuel should be purchased until it was ascertained if the boiler, which was repaired recently, would prove satisfactory. On motion of Councillors Wells and Philp, the purchase of ten tons each from Thos. Spry and Chas. Davidson was authorized.

The following accounts were ordered paid: G. B. Faulkner, $32.45; E. Wanamaker, $330.40; F. McCutcheon, $105.50; C. E. Hickey and Son, $880.00; McIntosh and Wells, $2.60; F. R. Mallory, $22.35; Sam McCrory, $2.25; Rosco Metal and Roofing Products, $1,286.52; Allan McDonell, $8.00; W. Sinclair, $3.00; Earl Fox, $9.00; H. E. Cooke, $1,185.50; Harry Morrow, $165.00; Stirling Public Utilities, $288.81; C. E. Hickey & Son, $15.95; County of Hastings, $21.00; Bell Telephone, $8.35; F. R. Armstrong & Son, $9.60; Harry Jones, $3.80.

High School Student Wins Sewing Contest

In a nation-wide contest conducted by the Singer Sewing Machine Co., of Canada, Miss Donna Carlisle, local High School Student, won first prize at the Belleville and District contest last week. She received a pair of scissors with pinking shears.

Miss Carlisle's dress of mauve and white lystav, won top honors after being modelled by Miss Carlisle herself. The dress will compete at Ottawa for the provincial contest on September 27th.

The Belleville and district contest was held to select a winner from the twenty odd contestants who completed an eight-lesson course given by the Singer Sewing Machine Co.

Scout News

On Monday evening, the Cubs held their first meeting in the Public School, with forty-five boys in attendance. Most of the evening was spent playing games. Bageera told the boys a very interesting story while Baloo read part of the Camp Log and led the boys in a new song. The meeting closed with the Grand Howl and prayer. Nine of the Cubs will advance into the Scout Troop.

SCOUT NEWS

Scouts met at the High School with Mr. Harding in charge. Forty-two boys were present making the largest troop Stirling has had. The boys were checked up on their hand signals and games were played. A Court of Honour meeting was called by the Scoutmaster, to decide how to make up the Patrols, after which each Patrol Leader picked his boys. Tom Wells has been made Troop Leader and Ronnie Woodbeck A.S.M. The meeting closed with prayer by Paul Packman.

Permanent Motor Car License Plates Proposed For Ontario

Adoption by Ontario of permanent license plates for vehicles was suggested in a brief presented to the Legislature's Select Committee on liens.

Such a system, members of the Ontario Retail Gasoline and Automotive Service Association told the commitee, would provide an easily obtained record of a vehicle's movements for police, government registration offices or anyone else needing the information.

The permanent license number would be retained throughout the life of the vehicle, regardleses of ownership changes. Owners would simply buy a disc for the windshield or some other device for use each year and would only have to secure duplicate plates of the same license number if the originals became disfigured or marred.

The association declared that traffic laws would be more simple to enforce with such a license system and the elimination of expensive new plates each year would reduce the cost of administering license laws.

Licenses could be renewed anually by mail and thus eliminate the long lineups each year for new plates. Owners would secure renewals if a stiff enough penalty was provided for failure to do so by a fixed date, the association declared, suggesting temporary suspension of licenses as a penalty.

The association endorsed establishment of a central registration office, a subject of much discussion by the commmittee.

Such an office, the association said, would protect the general public purchasing used cars, if at the time of purchase the buyer, through this office, could easily ascertain if there were any hidden liens against the car.

The brief suggested that central registry scheme would require that all owners of vehicles have a certificate of title which would have entered on it the amount of the chattel mortgage every time the owner borrowed money on the car. In addition, any original financing of the car would have to be shown.

Every time any firm either financed, refinanced, or loaned money on a car as security, it could only do so if certificate of title was produced and the amount entered on it at the time of financing.

The association urged that all financing or all loans on vehicles, no matter how small, should be required to be registered. This would guard against car owners having a number of small loans secured in different places against the vehicle and no record of them available.

Mount Pleasant W.M.S. Meets

Mrs. Blake Sharp was hostess for the September meeting of Mount Pleasant Woman's Missionary Society with sixteen members and four visitors in attendance.

Mrs. Frank Jeffs opened the meeting with prayer. Mrs. Percy MacMullen gave her report. Mrs. James Hoard gathered the offering and Mrs. Herbert Smith dedicated it. An invitation to visit Springbrook was read. The treasurer reported $9.72 for August. Members are asked for articles for an overseas bale.

All sang, "My Faith Looks Up To Thee", accompanied by Mrs. Ed. Richardson on her piano accordion. Mrs. Will Potts offered prayer and Mrs. Will Jeffs sang with guitar accompaniment. Mrs. Ross Hoard gave a Stewardship message.

Mrs. Roy Thrasher synopsized the last two chapters of "Where'er the Sun," by Dr. Samuel H. Moffatt. She said Canada and the United States are sending almost nine hundred new Missionaries each year to the foreign fields and yet there are isolated spots in the mountains where there is no religious teaching of any kind. There are many frontiers and a wheat farmer in Alberta or a cattleman in New Mexico may live eighty miles from a church. South America has the greatest stretch of unreached territory. A noted minister in New York City recently said: "Social and business life is only half Christianized." The world is full of hunger, poverty and disease and there is much to be accomplished in showing these people that Jesus Christ is the answer.

In the devotional Mrs. B. Sharp read the Bible Lesson. Mrs. Ross Jeffs read a paper on charity and Mrs. R. Hoard offered prayer.

The hostess served light refreshments. Mrs. Kenneth Weaver conducted a brief W.A. meeting at the same home. She read an article on "Light" and a letter of invitation from Springbrook.

Reception Held For Rev. Dr. John Marsh At Mount Pleasant

On Friday evening, September 10th, a reception was held at Mount Pleasant Church Hall in the form of a pot luck supper and social get-to-gether in honour of Dr. Marsh.

Rev. W. G. Fletcher presided over a brief programme and then introduced Rev. Dr. John Marsh, Professor and Principal of Mansfield College, Oxford, England, who is visiting his sister, Mrs. John Mulheron, Mr. Mulheron, and Margaret, Fifth Concession of Rawdon Township.

Dr. Marsh spoke of his great appreciation of Canada and then described Oxford, England, as a great university city. He gave a graphic picture of the thirty-two different departments of the college, each working separately but all self governing and all having the same rules and standards. He described the life of the student when he spends eight to ten hours weekly attending lectures. The real education comes when teacher and scholar have an interchange of ideas, which in most cases brings out much fruitful thought. Dr. Marsh spoke of the necessity of sport and gave a vivid picture of the formal occasions in the dining room when dinner is served.

Mansfield College was established in 1866 by he Congregational Church and students from every country in the world have attended. In Theology, the scholar is taught to express his views in simple language and he is given a chance to preach at a week-night service; also at public services. In closing he invited any interested student to come to Mansfield for their higher education.

Rev. Fletcher expressed appreciation to Dr. Marsh. Th reception closed with "Auld Lang Syne," "The National Anthem" and a special benediction. A social gathering followed.

Canada's 1953 apple crop is estimated at 11,600,000 bushels, four per cent off last year.

Mrs. Allyn Finkle Hostess To Marsh Hill W.M.S.

The September meeting of Marsh Hill W.M.S. was held at the home of Mrs. Allyn Finkle with thirteen members and one visitor present. The president, Mrs. Leslie Linkle, opened the meeting with a short devotional reading and prayer.

During the business period three members contributed to the birthday box. The members reported making four calls and sent thirteen cards and four letters. Mrs. Hollinger reported for the supply work and the articles for the bale are to be in for the next meeting.

Mrs. Campbell gave some interesting facts on Christian Citizenship, quoting from Dr. Templeton. Mrs. Searles gave a reading, "Meaning of Stewardship."

Mrs. Fred Campbell presided over the worship service, the theme being "A Nation Before God." Mrs. Frank Finkle was in charge of the study book taking programme one, "The Church In India," and was assisted by Mrs. Allyn Finkle and Mrs. Leslie Finkle.

After the closing worship the hostess served refreshments.

St. John's Anglican Church Host To Sunday School Association Meeting

A meeting of the Hastings and Prince Edward Deaneries Sunday School Superintendents and Teachers Association was held in the Parish Hall of St. John's Anglican Church, Stirling, on Friday, September 10th. The proceedings commenced with a pot luck supper at 6.30 p.m. and forty teachers and clergy enjoyed a hearty meal which was capably served and supervised by Mrs. Henry Cooke. A communal effort by both ladies and men soon disposed of the dishwashing chores and the meeting proper was opened at 7.30 p.m. by the Ven. J. B. Creegan, President of the Association. The opening prayers were read by Rev. A. Page.

A roll call revealed a total attendance of fifty-two, representing the Parishes of Trenton, Stirling, Frankford, Bancroft, Marmora, Madoc, St. Thomas' and Christ Church, Belleville.

Mr. F. L. Benson addressed the gathering on "The Responsibilities of a Sunday School Teacher." This was a most inspiring and informative address and was the basis for discussion by four groups which met separately under the following leaders: Mrs. Fisher, Mr. Holt, Mr. Maskell and Mr. Lennox. After fifteen minutes discussion the groups re-convened and further deliberations resulted from the findings of each group.

Mr. A. C. Maskell, of Trenton, delivered a most interesting talk on the subject of "Teaching a Lesson." The speaker outlined the four main requirements of teaching as Personality, Pedagogy, Subject Matter and Related Material. For these requirements he elicited the three main techniques of teaching which are Personality, Preparation and Presentation. Mr. Maskell clearly demonstrated the success that can be obtained by careful study and use of these basic principles and those present were greatly enlightened by the information he dispensed.

Both speakers were accorded a hearty round of applause for their excellent efforts and a formal motion of thanks moved by Mr. Cottrell, of Marmora.

Offirers Elected

An election of officers resulted in the following appointments:

President — Mr. A. C. Maskell
Vice-President — Mr. F. L. Benson
Secretary — Mr. R. J. Andrews.

Mr. Holt expressed the Association's gratitude and appreciation for the efficient services of the retiring officers and a formal motion of thanks was approved.

The next meeting is called for January 14th at Christ Church, Belleville, and supper will be served at 7 p.m. A special word of praise was voiced for the Bancroft members present and it is hoped that the arrangements made for the next meeting will enable them to attend that also.

The meeting was closed with the benediction by Canon McConnell, of Trenton.

CONSERVATION NEWS!

Forest Protection

Still another week has gone by with the fire danger meter reading in the low rating. A total of 1.49 inches of rain in all was recorded at the Tweed weather station with some rather wicked lightning displays but no fires following the storms that we have been able to spot to date. There were no fires from any cause during this period. Rangers are taking advantage of this situation to carry on with improvement projects authorized for the District.

Junior Rangers Through For Another Season

Junior Ranger Camps at Mazinaw Lake and Bancroft were closed on August 28th, with work for another season completed and the boys have returned to their homes. The summer's combination of work and training has done much to convey to them a much clearer picture of the varied activities of the Department of Lands and Forests.

Officials of the Department in the District feel confident that the Junior Rangers are now better fitted to understand the goal of "Wise Use of Renewable Resources," and aid in reaching this goal by giving support to programmes that aim at this target.

1954 Resident and Non-Resident Deer Hunting Licences

The attention of licence issuers is directed to the fact that metal shipping seals will not be provided with dear licences this year.

Each deer licence contains a shipping tag, which the licence holder will use when shipping his deer.

"Is ink so very expensive, father?"

"Why, no, what makes you think so?"

"Well, mother seems quite disturbed because I spilled some on the hall carpet."

WHAT OTHERS SAY!

BY EXAMPLE

Parental advice on drinking is believed to be more effective than similar advice from church or school. Dr. Robert Strauss, professor of public health at the College of Medicine, Syracuse University, N.Y., told the Intercollegiate School of Alcohol Studies at Huron College that this was the conclusion he drew after a study of the drinking habits of more than 16,000 U.S. college students.

Parental habits have a greater impact on the minds of young pepple than from any other sources chiefly because, with parents, it is a question of example rather than precept. Children tend to follow the example set by the grownups. Example is ever more potent than precept, an axiom to which we might pay more attention in all relationships between adults and children.

NO PLACE FOR TRIGGER-HAPPY POLICE

Police officers throughout Canada would do well to heed the advice of Inspector Robert Fabian of Scotland Yard who deplores the "dreadful practice" of shooting at persons who are trying to escape arrest. Inspector Fabian is quite right when he advises policemen to shoot only in self-defence or in a life-and-death situation.

There have been many cases in recent years when an officer who has failed to catch a suspect fires a warning shot and then draws a bead on the fleeing form. Toronto has had more than one such incident, and they are by no means uncommon elsewhere.

The officer who fires a shot at someone who has refused to stop is taking upon himself the functions of prosecutor, judge and jury. An innocent man may run from the policeman for a variety of reasons. Sheer, unreasoning panic may cause a man to flee when a moment's reflection might have been enough to make him stand his ground. A running man may indeed be acting suspiciously but suspicion alone is no proof of guilt.

It is an established principle of British justice that it is better for a hundred guilty men to escape than for one innocent man to be convicted. The officer who fatally shoots a suspect has tried, convicted and executed him then and there. There should be no place on any police force in a democratic country for a trigger-happy officer of the law.

Licenses Expired

Resident licences to shoot groundhogs expired on August 31st, the Ont. Department of Lands and Forests points out. Unless special permission has been obtained, no game taken last year may be kept in lockers after the same date.

A British Opinion

Stating that the Canadian textile industry's share of the home market had fallen from 70 to 75 per cent before the war to 56 per cent in 1952, Mr. James Ewing, chairman of the Bradford Dyers Association Limited, said in Bradford (England): "From these figures it is clear that greater protection is necessary if the domestic industry (in Canada) is to survive."

Mrs. R. A. Hermiston Gives Topic At St. Andrew's W.M.S.

The September meeting of St. Andrew's W.M.S. met in the church parlours on Tuesday afternoon. Mrs. L. Rodgers expressed a hearty welcome to the members and urged for renewed interest in the missionary work for the Fall term.

Mrs. Don Fargey read the Scripture Lesson from the first chapter of John. Mrs. L. Rodgers led the meeting in prayer. Mrs. Earl Fox conducted the roll call. It is hoped that each member will be able to reply with the key word at the next meeting.

A request was read from a needy group of church women in the West. It was decided that each member be prepared to bring 20 cents in a separate envelope to assist with these quilt blocks.

An invitation was read from Burnbrae W.M.S. inviting this society to visit with them on October 24th. A letter was read asking that gifts for children should be donated to send away to a Mission School in the West.

Mrs. R. H. Williams, Glad Tidings Secretary, distributed the magazine and urged for careful reading of the same. An enlightened membership means greater devotion in their giving. The offering was taken by Mrs. R. Hermiston.

After the singing of a hymn, Mrs. Ken Ray gave a splendid reading, "Our Loose Ends." Some persons are like houses with their doors and windows open in the winter time. They hold no warming convictions. Their thinking and living lack definiteness and decisiveness. A solo, "Bless This House," was sung by Mrs. Don Rodgers. It is by the giving of our talents like this that one brings a blessing on one-self.

The topic "The Happy Home," from God and with God, was taken by Mrs. R. A. Hermiston. The happiest home is the one that lives close to Christ. It need not be large architecturally, attractive nor must those that live within its walls be blessed with money, social position or university training. Christ, to guide the family, to lead the children, to avert the danger of too much prosperity and sustain the household in times of stress and sorrow will bring a joy that neither money, culture nor position can ever bestow.

The singing of a hymn and the benediction brought the meeting to a close.

Mrs. R. A. Hermiston, Mrs. Jas. Johnston and Mrs. C. B. Rollins, served a fine afternoon tea and a time of fellowship followed. Mrs. Ken Ray on behalf of the members, expressed the gratitude of the society to Mrs. Hermiston and her committee for the missionary programme and lunch.

Consumption of Dairy Foods Increasing In Canada

Canadians increased their consumption of dairy foods all along the line in 1953, according to most recent Bureau of Statistics reports. Officials of Dairy Farmers of Canada believe that their program of advertising and public relations, established in 1950, has sparked industry co-operation and is beginning to pay off in the increased per capita consumption of dairy foods. However, they point out that increasing production of milk and shortening export markets for milk products still pose grave problems for the industry.

There were at least two significant reversals in dairy food consumption trends in Canada last year. Both fluid milk and butter turned upward on a per capita consumption basis, with fluid milk moving from .85 of a pint per person per day to .86 of a pint per day in 1953. Butter consumption raised from 20.82 pounds per capita per year to 20.88. Recent government reviews give at least part of the credit for the reversal of the butter consumption trend to increased advertising of the product.

In the last four years cheese has found its way to Canadian tables in a steadily increasing way. The per capita consumption increase was from 5.83 to 6.03 pounds, a new all-time record.

Ice cream was also consumed in record-breaking quantities in 1953, up from 1.89 gallons per capita per year to 1.94 gallons. Concentrated milk products consumption increased from 20.30 pounds per capita per year to 20.78 pounds.

The first airplane flight across Canada was in 1920.

Batawa Postmaster Elected President

J. A. Stickle, Postmaster at Batawa, was elected President of the Ontario Postmasters' Association last week at Windsor, during final stages of the Provincial convention.

Scott F. Frandon, of Cannington, was elected vice-president after withdrawal by L. A. Bromley, of Grimsby, and George Day, of Rockwood. Elected to executive seats were: J. H. Robson, Kingsville; George Day, Rockwood; Kathleen Mathewson, Clifford; L. A. Bromley, Grimsby; and James Clancy, Southampton.

Officers elected last week come to power January 1st, 1955. The convention next year will be held in Niagara Falls, October 10th, 11th and 12th.

The Canadian Postmasters' Association last week turned down a resolution asking abolition of the post office savings bank.

Postmaster L. A. Bromley, Grimsby, Ont., resolutions chairman for staff offices section, brought the proposal before the annual convention of the Ontario Postmasters' Association.

Ontario President J. M. Ferris, of Campbellford, made a plea in support of the banks and against the resolution. He said the proposal came from chartered accountants who "are friends of the banks and not friends of ours."

He said he knew of one postmaster in Western Canada, in a town where there is no bank, who had 279 open accounts. Only a small number of votes could be mustered in support of the resolution so it was discarded.

A key resolution, supported by the convention, asked removal of the residence provision so a man resident of a community for less than a year could be appointed postmaster. This would open the way for qualified outsiders to apply.

The postmasters also asked that assistants in semi-staff offices be allowed to seek promotion and be advised of vacancies.

A proposal that semi-staff rental allowance of $1 a square foot be increased was also adopted.

Former R.C.A.F. Doctor To Start Civilian Practice At Trenton

Dr. John D. Beecroft, who for the last three years has been on the medical staff of the Air Force Hospital at RCAF Station, Trenton, is retiring to civilian practice on September 13th.

Dr. Beecroft is a native of High Wycombe, Buckinghamshire, England, and on graduation from London University began his medical career in that town. Prior to joining the medical branch of the RCAF the doctor also practised in Kent and Durham Counties in the old country.

During his service at Station Trenton the doctor was a leading figure in musical circles and for some time he has held the position of choir director at the Protestant Chapel. He was also male soloist in the chapel choir. Dr. Beecroft has been active in acquatic circles and as a member of the RCAF Acquatic Club has done considerable sailing on the Bay of Quinte and surrounding waters.

Dr. and Mrs. Penny Beecroft have taken up residence at "York Lodge" York Road, Trenton, from which address the doctor will continue his professional career.

The Beecrofts have two children, Melinie, age 5, and Peter, age 1.

$50,000,000 New Bills In Circulation

Last week nine and a half tons of new paper currency started moving into circulation in Canada.

$50,000,000 Worth

That's how much a little less than $50,000,000 worth of the crisp, new notes, first to bear the Queen's portrait weighed as it was shipped to bank branches from coast to coast for distribution. And that's only a drop in the bucket of 160,000,000 notes, worth about $1,500,000,000, usually in circulation at any given time. The rest comes later as old money wears out.

Biggeest Money Operation

Bank of Canada officials disclosed details of the biggest money operation in Canadian history.

They said the two-tone bills, as long as but an eighth of an inch narrower than the old ones, were shipped by rail, air and highway to reach each individual bank branch.

On the right of one side of the new notes is the portrait of the Queen. Typical Canadian scenes replace the old symbolic figures on the reverse side.

Use Old Ones

The Bank of Canada still has a supply of the old notes in larger denominations, but has run out of $1, $2, and $5 bills. It will use up all the larger denominations still stocked. Old bills now circulating will not be withdrawn until they are worn out.

Marilyn Bell Now Lifetime Guest of Picton Hotel

Royal Hotel Manager, Dayton Wark, Picton, announced Thursday evening of last week that Marilyn Bell, blonde 17-year-old Toronto high school student, who successfully swam the 32-mile course across Lake Ontario would receive a lifetime courtesy card for accommodation at the Royal Hotel.

Hotel owner, Mayor H. J. McFarland, President of the H. J. McFarland Construction Co., has also donated $200 to Miss Bell. Picton's Mayor has invited Miss Bell and her family to convalence at his Picton hotel, following the strain of the big swim event.

Picton's generous Mayor has also contributed $100 to the Winnie Roach Leuzler fund, another courageous Canadian who attempted the long swim.

Marsh Hill Harmony Club

The members of Marsh Hill Harmony Club met for their September meeting Friday evening in the school house with Mr. and Mrs. Bazil Kuglin as host and hostess.

The President, Mr. David Hollinger, opened the meeting with the singing of the hymn, "What a Friend We Have In Jesus" and a poem, "The Guide."

During the business, the members decided to buy new hymnaries for the church.

Mr. and Mrs. Berson Mitts presided over the worship service with Mrs. Mitts reading the Scripture and Mr. Mitts gave a reading on being "Hopeful," explaining the Scripture. Melville Patterson gave a reading, "The Purpose of Life."

Mrs. Mitts gave a reading, giving the origin of the hymn, "I Would Be True," after which Miss Barbara Brown sang the hymn.

As this was the 35th wedding anniversary of Mr. and Mrs. Berson Mitts, Mr. Hollinger presented them with a gift from the members and wished them many years of happiness.

As it was Miss Barbara Brown's birthday, the members joined in singing "Happy Birthday" and Barbara was presented with a birthday cake. Mr. Farley Lindenfield led in community singing of favorite pieces with Mrs. Kuglin presiding at the piano.

The members all enjoyed a buffet luncheon of sandwiches, coffe, corn and ice cream.

Great-Grand Child Dies of Injuries Of Springbrook Folk

An inquest has been ordered into the death of Beverley Anne Heney, 12-year-old daughter of Mr. and Mrs. Oliver A. Heney, 11910 126th St., Edmonton, Alta., who died in hospital about 11.30 a.m. Thursday of injuries suffered when she was hit by a truck while crossing 119th Ave. at 126th St. Wednesday evening.

Mrs. Heney, who was with her daughter at the time of the accident, told The Edmonton Journal that Beverley was hit while walking to a nearby drug store to buy a zipper case for school opening Thursday morning. Beverley would have entered the seventh grade at Westmount school. She previously attended Inglewood school.

Mrs. Heney said she was about three paces behind Beverley when the girl was hit by a westbound truck. The mother and child were crossing from north to south in the west crosswalk of 126th St.

Beverley, who was born in Shaunavon, Sask., went to Edmonton with her mother in 1944. Mr. Heney served in the Canadian Army during the Second Great War and rejoined his family in Edmonton on his discharge in 1945.

The girl is survived by her mother and father, three brothers, Dennis Earl, 15. Michael Allen 6. and Brian Oliver 7½ months and a sister Sonja Ellen. 14.

The funeral service was held on Saturday at 1.30 p.m. in the Foster and McGarvey funeral chapel. Burial was made in Westlawn cemetery.

The deceased was a great granddaughter of the late Mr. and Mrs. T. J. Thompson, Springbrook, and the late Mr. and Mrs. Miles Mason, also of Springbrook.

WE HAD A LITTLE GIRL

She was rather a strange child — stormy, industrious,. sometimes provoking; but so much love was scarcely ever in one person. Always, when I came home, tired from work, her cheery, "Hello Daddy," met me. Her tiny hands were always ready to do more than she really could.

Her eyes were not strong. She wore glasses; and, as she frequently fell down while running, she broke them far too often. Many long days she spent in building jig-saw puzzles — there is one on the wall of her room now. She had worked hard in school and was so proud that she always had passed. She was very interested in spiritual things — sometimes asked very hard questions. She loved the name of the Lord and trusted implicitly in Him.

School was starting and it was a terrible important year. Just imagine — Junior High! She went window shopping and saw a zipper case. But the price — $8.95 It was so nice. comb, scissors. pencils, rulers — everything a little girl could desire — but $8.95. Just maybe? "I have been good lately, haven't I Mommy?" — Perhaps they will! I'll ask them! "Please put this under the counter Mister Storeman 'till I bring Mommy to see it, will you?"

She came home, polished her little red shoes (she was tiny for her age); rushed through supper; greeted Daddy, sold Mommy on the case and "Please hurry, Mommy;" washed the dishes (and didn't break any); and hurrying Mommy to see her treasure, she just couldn't walk so slow! So eager, she walked ahead and they both started across the street. Someone else was in a hurry and couldn't see so small a girl. Screams! A crash! A broken body! A severed arm! I awoke to the terrible screaming, ran out and saw them bearing her away. A girl handed me her glasses — unbroken this time.

The emergency ward — the waiting — the doctor — "Not much hope. I will do all I can." The waiting — then, the word: "Beverley passed away this morning."

Her Bible cutouts so artistically arranged; her jig-saw puzzles on the wall; her red shoes beside the bed; her cap on the nail — but Bev? We bury her tomorrow. And we see her, hear her, and then wake to the dreadful fact — WE HAD A LITTLE GIRL!

Her brothers and sisters are still with us; and there are hundreds of eager little ones on the streets. We love them. Please folks: you have time — don't take all the time-life from them! Please remember, some little one — someone may depend on you for life. Drive carefully.. Don't kill the children. WE HAD A LITTLE GIRL.

Oliver A. Heney,

School For Leaders Held At Whitby Ladies' College

At the Ontario Ladies' College, Whitby, Ont., 234 delegates enrolled for the 21st session of the School for Leaders of the Bay of Quinte Conference Branch, held August 23rd to 27th inclusive.

Mrs. F. W. K. Harris acted as Dean of the school and head of the program committee, other members being Mrs. B. H. Soper, Vice Dean; Mrs. S. W. Spafford, President of Bay of Quinte Conference Branch; Mrs. B. E. Ingram, Mrs. James Whyte, Mrs. W. B. May, Mrs. E. E. Free, Mrs. Russell Kenney and Mrs. W. D. Grant.

Registration was in charge of Mrs. W. T. Fonjoy, Mrs. M. Brayshaw and Mrs. H. T. Rehill. Mrs. N. L. White, of Brooklin, acted as receptionist. Mrs. H. Seymour was in charge of the hymn-sings in the morning and recreation in gymn and swimming pool. Worship service each morning was conducted by Mrs. A. M. Stewart. of Packenham.

Evening devotions were led by Mrs. E. Free, Mrs. K. C. Hopkins and Mrs. F. W. K. Harris, while the out-door Vesper service was conducted by Miss Netta Brownlee.

Bible Study, "The Kingdom of God," was taken by Rev. Mr. Crozier, giving inspiration not only for days at the school but for those to follow, as each returned home to do her bit in her own particular way to help bring in God's Kingdom on earth in the hearts and lives of men.

Dramatics In The Church

This is a new feature of our church work and was presented by Mrs. M. P. Austin, of Woodville, Ont.

The popularity of religious drama is increasing in value, developing a deeper fellowship between God and man. Talks were given on the essentials of good drama, qualifications of players, and organization necessary. The drama group demonstrated, by effectively presenting two dramas the closing evening of the school.

Evangelism and Social Service work of the United Church was presented by Rev. Mr. Mellon. This work extends into every walk of life, touching moral issues and social problems.

Various branches of Missionary work were discussed with better means of procedure in its presentation.

Baby Band work was discussed by Mrs. W. White, showing how to start, how to conduct meetings, make calls, have mother and baby parties, etc. Mrs. W. B. May and Miss Catharine McKeen led in Mission Band and Explorers study.

Mission Circle work was presented by Mrs. B. E. Ingram, of Millbrook, showing the value of posters, maps, charts, and use of visual aids, and scrap books of places and people for mission study this year.

Mrs. James Laughland, Past President of the Dominion Board. and Miss Isabelle McFadden, led Auxiliary discussions.

Mrs. S. W. Spafford held meetings of the Branch Executive. Mrs. J. H. McKinney met Presbyterial officers for questions and discussion of mutual interest.

India

The study of this country is being carried on in all departments of the United Church, as well as in many other Protestant denominations. This is India year. Attitudes toward India and other lands were changed as groups met and heard two scholarship students. Mis Annamma Ommen, of Madras, India, and Kayuko Hoshuka, of Tokyo, apan, and listened to Dr. Winnifred Bryce and Miss Frances Stevenson. Dr. Bryce spent many years as a teacher in India and France. Frances Stevenson is home on her first furlough.

Those privileged to attend the sessions went home refreshed in body and spirit, to be more effective leaders in their own homes and communities.

Home and School Associations To Meet

The Home and School Aesociations of the Counties of Hastings, Peterboro, Prince Edward and Victoria, are this year, holding their annual one day conference at Prince Charles School, Belleville, on Saturday, October 23rd.

Mrs. C. V. Coons, Peterboro, chairman for District 10, together with a specially organized group from Central Committee, have planned an interesting programmee for this day. Speakers, well-known in their fields, will discuss various subjects, there will be displays of literature for children, educational publications and health exhibits, also workshop question and discussion periods.

Splendid Programme Arranged By Directors For Annual Fall Fair

Lumor Shows To Provide Midway — Baby Show — Hold Dance Friday Night

With the annual Fall Fair sponsored by the Stirling Agricultural Society scheduled for Thursday and Friday of next week, September 30th and October 1st, the committee in charge of the various attractions in front of the grandstand has lined up a programme for Friday, October 1st, that should appeal to all, and indications point to it being one of the best ever seen locally.

In preparing the programme, the committee has ever kept in view that the Fair is primarily for the agriculturalists of the Community and has endeavoured to make it of particular interest to farmers. However, the urban dwellers have not been overlooked and there are many items that should appeal to them as well.

It is the hope of the Society that the citizens of Stirling and community will show their appreciation of the efforts put forth by the directors by giving their wholehearted support to the Fair not only with their attendance but by competing in as many events as possible.

Acknowledge Donations

The directors desire to thank the citizens of Stirling and Hastings County who by their generous donations have assisted them in arranging for the prize lists and entertainment for this year's fair.

Prize Lists Available

Copies of the Prize List may be obtained from R. E. Shortt, Secretary, or at the News-Argus office.

Trials of Speed

All of the familiar events are again on the agenda and a good afternoon's entertainment is promised for Friday, October 1st. Horse racing enthusiasts will again be able to enjoy their favourite sport as trials of speed — Free-For-All and Classified Race with good purses $200 and $150 — are included in the programme.

There will also be pony races for two classes, 11 to 14 hands and under 11 hands.

Bicycle Races

Bicycle races for the boys and girls are also on the agenda. There are three classes, half mile for boys 15 and over; 1-8 mile for boys under 15, and 1-8 mile for girls under 15.

Good Exhibits

There will also be the usual good horse and cattle exhibits, as well as sheep and swine. In the main building will be found the ladies' work exhibit, cheese exhibit, High and Public school exhibits, Floral exhibit, etc.

Junior Farmer Section

In the Junior Section of the Fair patrons will be privileged to view the achievement day exhibits of the Stirling 4-H Calf Club and South Hastings 4-H Grain Club. The farm machinery companies will also have their usual displays of farm equipment on the grounds.

The customary Junior Farmer section will again be featured this year.

Platform Performance

For the platform performance in front of the grandstand the directors have secured Ernie Bruce, the comedy musician, and Peter the Clown and the spectators are assured of a splendid programme.

Baby Show

The Baby Show will again be a feature, with three classes, babies under 6 months, babies 7 to 12 months and twins, one year and under.

Good Midway

Arrangements have been made with the Lumor Shows for a midway with several rides and shows for both the children and the adult patrons of the fair.

Dance Friday Night

On Friday night there will be a Dance in the Community Hall, with music being supplied by Uncle Jimmy's Merry Makers Orchestra.

In presenting the programme the Committee feels it should have the support of the community and given good weather, the attendance should be the best ever. All roads lead to Stirling Fair Grounds on Friday next, October 1st, and citizens of the surrounding district will be out in force to lend their support to the Agricultural Society.

Be sure to meet your friends at the Stirling Fair.

Sells Lot

Mr. C. A. Wells has disposed of his lot on the south side of Charlotte St. to Mrs. Henry Leonard, of Frankford. It is understood the new owner will erect a new house on the site in the near future.

To Present Cradle Roll Certificates

The cradle roll certificates for St. Andrew's Presbyterian Sunday School will be presented at the morning service on Sunday next, September 26th. The presentation will be made by Mrs. Chas. Fargey, Superintendent of the Cradle Roll department.

Has Foot Amputated

Friends of Morley Ayrhart, John St., who has been a patient in Kingston Hospital for several months, will regret to learn that it was found necessary to remove his left foot. The operation was performed on Monday and the latest report is that he is doing as well as can be expected.

Laying Main To New Well

A start was made Wednesday morning on laying the water main from Henry Street along Elizabeth Street to the new Village well. The work is being done by employees of the Stirling Public Utilities. It is expected that the work of erecting a new pump house will also be started in the near future.

Mr. and Mrs. Carl Dunham Celebrate 25th Anniversary

Mr. and Mrs. Carl Dunham, Mount Pleasant, were completely taken by surprise Saturday evening, September 18th, when over fifty of their relatives came to their home to spend a social evening on the occasion of their 25th wedding anniversary.

Mr. and Mrs. Dunham were married by Rev. F. G. Joblin 25 years ago in Stirling, and have lived for the past 19 years at Mount Pleasant.

They have three children, Mrs. Glenn (Grace) Bush, River Valley; Mrs. Roy (Ruth) Wedden, of Toronto, and Jean, at home; three grandchildren, Judy and Trudy Bush and Bobby Wedden, who were all present at the surprise party.

In a few moments after the arrival of the guests, a few appropriate decorations were placed and a corsage presented to the bride, giving the evening a festive touch suitable for the occasion.

Mr. Bruce Melville, of Sarnia, acted as master of ceremonies for the evening. The bride and groom of twenty-five years received several beautiful and useful gifts, for which they voiced their appreciation and thanks. They also thanked the ladies for the dainty lunch and all those who had given them such a pleasant evening.

Relatives were present from Sarnia, Toronto, Malone, Peterborough, Wellman's Corners, Belleville, Carmel, Brighton, Ivanhoe and River Valley.

WM. BOWEN JR. NATIVE OF STIRLING DIES SUDDENLY

Word has been received by Mr. and Mrs. Wm. Bowen, Henry St., of the death of Wm. Bowen Jr. in Salt Lake City, on Wednesday, in his 41st year. He had been in his usual good health but was stricken with a heart attack while at work.

The late Mr. Bowen was born in Stirling and after attending local schools learned the baking trade with Walter Wright. Later he moved to Peterborough, where he was employed until three years ago, when he went to Salt Lake City. He leaves to mourn his widow and one child.

Speaker At St. John's W.A.

Rev. Wm. Giovetti, of Madoc, will be the special speaker at a meeting of St. John's W.A. at the home of Mrs. Kenneth Mumby, on Tuesday next, September 28th. His talk will be on his experiences on a Mission field in Western Canada.

Coaching Day For Plowmen At Deseronto

A plowing coaching day has been arranged for Saturday next, September 25th, commencing at 9.30 a.m., on the farm of Leslie Claus, Deseronto. Donald Greenless, of Sunbury, a representative of the Ontario Plowmen's Association, will act as coach. The coaching day will be in preparation for the Mohawk Plowing Match on Oct. 2nd, where there will be competitions for Junior Farmers of Hastings County under 21 years. The winners in the Junior Farmer Class at Mohawk will be eligible to compete in the International Plowing Competition to be held at Breslau, Ont, October, 12-13-14 and 15.

Friends of J. Irish will regret to learn that he has been a patient in Belleville General Hospital since Thursday last. However, it is expected that he will be home today or tomorrow.

C of C To Sponsor Public Meeting To Discuss Sewage Disposal

Council Will Be Asked To Pass Bylaw For Plebiscite On The Sewage Question

The Executive of the Stirling Chamber of Commerce held a special meeting in the Council Chambers on Monday evening last. The meeting was called to discuss the problem of sewage disposal in the town.

As a result of the meeting the Chamber will ask the Village Council to pass a bylaw authorizing a municipal vote on the question of the installation of a sewage disposal system to serve Stirling.

The Executive of the Chamber also made preliminary plans to hold a public meeting in the Community Hall sometime in October. The Chamber proposes to have sewerage experts at this meeting at which time the ratepayers of the town will have an opportunity to learn much more regarding the matter of sewerage from men who have the answers.

Propose October Meeting

The Stirling Chamber feels that it will be performing a public service by arranging this meeting. By presenting men who are fully qualified as experts on the subject it is expected that the public will be in a much better position to decide the issue.

The Executive of the Chamber will meet again on Monday, October 4th to finalize plans for the meeting. A further announcement may be expected in the News-Argus next week.

Daylight Saving Ends Saturday At Midnight

In keeping with numerous other communities throughout Canada Daylight Saving time will end on Saturday, September 25th at midnight.

Residents of Stirling and district will pick up an extra hour's sleep which they lost when fast time started last April.

Be sure to put your clocks back one hour when retiring on Saturday night, September 25th.

Wellman's United Church Observes 85th Anniversary

Wellman's United Church on the Rawdon Circuit held their eighty-fifth anniversary on Sunday, September 19th. The Church was a bower of beauty with baskets of autumn blooms and potted plants. Rev. A. C. McCallum, Trenton,, gave the morning message. Mrs. Frederick Beckett presided at the piano and Wellman's choir rendered two antheme, "O Be Joyful" and "Blessed Gospel." Mrs. Jim Pollock and her sister, Miss Patsy Wallace, rendered a duet.

At the evening service the church was filled to capacity. Rev. F. J. Crawford, Marmora, gave the special address. Mrs. Gerald Clancy presided at the piano and Hastings Junior Farmer Choir sang two anthems, "Thou Crownest The Year" and "O Lord How Manifold Are Thy Works." Mr. Grant Richardson sang the ninety first Psalm, "He That Dwelleth in the Secret Place of the Most High." Mr. Wm. Aylsworth, Madoc, directed the choir.

Following the service the members of Wellman's choir served refreshments to the visiting choir.

Bus and railway timetables will also change this Saturday night.

Observe Anniversary

A happy event took place on Tuesday of last week, when friends from Stirling, Warkworth and Campbellford, surprised Mr. and Mrs. A. K. Stinson at their home on Major Street, Campbellford, it being the occasion of the couple's 25th wedding anniversary on September 14th.

Mrs. A. D. Bennett expressed best wishes to Mr. and Mrs. Stinson, and Mrs. J. Greenly, of Warkworth, presented them with a beautiful silver sandwich tray on behalf of their friends. —Campbellford Herald.

Mrs. Erle Denyes Guest Speaker At St. Paul's Auxiliary W.M.S.

The September meeting of St. Paul's Missionary Auxiliary was held in the church hall on the afternoon of the 14th. Quiet music followed by a brief medication and prayer by the president, opened the meeting.

Mrs. H. Vandervoort presided for the worship service and the programme. The theme of the devotions was, "Where Love Is, God Is." Mrs. Oliver Stapley read the Scripture Lesson, the story of the Prodigal Son, after which Mrs. H. Donnan offered prayer. Mrs. W. Wilkins was the soloist, and sang in her usual pleasing manner.

Mrs. W. T. Elliott introduced the guest speaker, Mrs. Erle Denyes, of Belleville. Mrs. Denyes attended the School for Leaders held at the Ontario Ladies' College, Whitby, August 23rd to 27th, and the following items are some of the highlights of the conference as she saw them:

Mrs. Jas. Laughlan, Immediate Past President of the Dominion Board, spoke on Auxiliary methods. She said that no President can do things alone; she must confer with her Executive. Team-work is much stronger than the individual.

Speaking of the Associate Helpers department of work, Mrs. Laughlan reminded the members of the contributions our Associate Members can make to the Auxiliary and their prayers are what we need most. Not only theirs, but we need the prayers of every W.M.S. woman to build up a community of church people who really do believe that Christ is the hope of the world.

The Rev. Harry Mellow, of Oshawa, gave a most enlightening address on the set up of the different departments of the United Church.

Mrs. Murray Austin, at the session on Dramatics, remarked that the Church is recognizing that religious drama has a very important part to play in the church life, especially the young people.

The morning worship service on each of the four days was taken by Mrs. Stewart, of Renfrew, under the following respective themes: "The Light of Faith;" "The Light of Prayer;" "The Light of Love;" "The Light of the Cross."

The Rev. Hugh Crozier, of Whitby, took the Bible Study, under the theme, "The Kingdom of God." His address gave inspiration not only for days at the school but for those to follow, as each returned home to do her bit in her own particular way to help bring in God's Kingdom on earth in the hearts and lives of men.

HAROLD NEWTON BIRD

Harold Newton Bird, R.R. 2, Carrying Place, passed away at his home on Tuesday, September 14th after a short period of illness.

The late Mr. Bird was born at Stirling, 66 years ago, being the son of the late Mr. and Mrs. Albert Bird. The deceased had resided at Carrying Place for the past 10 years and previously at Trenton.

He was a member of the Anglican Church and is survived by his wife, two daughters, several nieces and a nephew. The daughters are Mrs. Franklin (Olive) George, of Terrytown, N.Y., and Mrs. Adolph O. (Viola) Krafka, of Trenton.

Mr. Bird was educated at Stirling. He carried on a successful car business in Trenton for over twenty years and later as car salesman until about five years ago, when he retired to his small home near Twelve O'Clock Point where he enjoyed his garden and flowers.

The funeral was held on Friday afternoon.

Interment Carrying Place Cemetry.

Eggleton W.M.S. And W.A.

The Eggleton W.M.S. and W.A. held their regular meeting at the church Thursday evening. Mrs. Clarence Fitchett presided over the meeting which had been prepared by Mrs. Nelson Stapley.

"O Master Let Me Walk With Thee" was sung after which Mrs. Carl Bridges led in prayer. Mrs. H. Clarke read the Scripture Lesson. Miss Joyce Stapley favoured with a piano solo. A very interesting reading, "For Her Mother's Sake," was read by Mrs. Bruce Stapley. Mrs. Chester Sills and Mrs. Warren Harlow each gave readings on Stewardship. Mrs. Maurice Clancy sang a solo, "Trust and Obey."

Mrs. Gordon Nelson read the minutes of the last meeting and also gave a short reading about our Missionary for prayer. During the business period, plans were made for the forthcoming Bazaar to be held October 28. The October meeting to be held at the home of Mrs. M. Clancy with Mrs. G. Nelson as programme convener.

The meeting closed with "Blest Be The Tie That Binds," followed by the Mizpah Benediction. Mrs. C. Fitchett and Mrs. W. McMullen served a delicious lunch.

21st Batt. Reunion

Headed by a band playing their old marching tunes 250 members of the old 21st Battalion of the Canadian Second Contingent which earned everlasting fame in France in the 1914-17 war will march proudly through the streets of Peterborough on September 25 to their annual reunion dinner at the Empress Hotel.

Anniversary Services

There were large congregations at Zion United Church Anniversary Services on Sunday, although the weather in the morning was not pleasant. The church was well filled for the morning service and at the night service the crowd could not be accommodated, with the overflow seated in the Sunday School Hall.

Rev. E. Kersey, of Plainfield, was the guest preacher and gave two splendid and inspiring messages.

In the morning Rev. Kersey's theme was "Looking Backward" and in the evening, "Looking Forward." Special music by the choir included two anthems and a solo by Mr. Ronald Barnum in the morning with Mrs. Walter Brunton as pianist.. The Silvertone Quartet, of Frankford, were present for the evening service and they also rendered a few extra numbers after the service, which were much appreciated. This is the second time that this fine group have assisted at Zion Anniversary. The Quartet consisted of pianist, Mrs. Evelyn Martin; first tenor, Mr. E. Wallace; second tenor, Mr. R. Mitts; baritone, Mr. H. Slingerland; bass, Mr. Arthur Southworth.

The church was beautifully decorated with flowers for the occasion. A word of appreciation was extended to all who in any way assisted in making the Anniversary Services a success. The thankoffering was above average which is very encouraging.

West Huntingdon

Mr. and Mrs. George Ashley entertained the members of the Endeavours Class on Thursday evening for the regular meeting. Mrs. John Wallace was the guest speaker and gave a most interesting account of their trip to the coast. Others assisting on the program were Mr. Mac Sarles, giving a reading. Mr. Alex McCurdy read the Scripture Lesson and offered prayer. Mrs. Arthur Hassall gave a solo. Music was rendered by Mrs. Lindsay Sills. Following the business period, lunch was served.

It was the occasion of the birthdays of Mr. Spencer and his little granddaughter, Chryssie Lynn. Many happy returns of the day to you both.

Congratulations to Alfred Malin Jones, son of Mr. and Mrs. Malin Jones, who drove his Car No. 7 to victory in the Soap Box Derby at Campbellford on Friday night, to win first prize. He won a flash camera, a silver cup and $5.00 Freddie Spencer and Glenn Anderson also entered the race, but both lost a wheel thus ending the race for them. They each received a hunting knife as a conosolation prize. Better luck next time boys.

DEATH AND TAXES . .

are the only two things you can be sure of. Taxes you have to make provision for; but it is strictly up to you to take care of the possibility that death may come at an early age. Life Assurance is the answer.

JANKE — GAY

Christ Church, Belleville, arranged with baskets of coral and white gladioli was the setting on September 18th at 3 p.m. for the marriage of Estella Gay, daughter of Mr. and Mrs. Hubert Gay, of Foxboro, and Frederick Gordon Janke, of Kitchener, son of Mr. and Mrs. Harry Janke. Rev. Everett Smith performed the ceremony assisted by the Rev. Harry Janke, brother of the groom. Traditional wedding music was played and members of the junior boys' choir sang.

The bride, given in marriage by her father, wore a ballerina-length gown of candlelight tulle with taut pleated bodice and billowing skirt, three-quarter sleeved shrug jacket and wrist-length mitts of tulle. Her matching natural satinized leaf headdress and imported illusion chapel veil complemented her gown. She carried a cascade bouquet of Joanna Hill roses with ivy.

Miss Meribeth Miller, as bridesmaid, wore a ballerina-length gown of similar design of ombre tulle shaded from candlelight to cedar bark tan. Over the pleated bodice she wore a matching frothy tan tulle stole and a tan ostrich feather headdress and tulle mitts completed her costume. Her cascade bouquet was of feathered bronze 'mums and ivy.

Mr. Helmut Binhammer, of Kitchener, was groomsman and Mr. Douglas Janke and Mr. Charles Demill were ushers.

A reception was held in the Parish Hall, the bride's mother receiving in a continental satin dress with capucine accessories with corsage of bronze orchid. She was assisted by the bridegroom's mother wearing raspberry toujouis crepe dress with muted pink accessories and corsage of Sweetheart roses.

For a wedding trip through Eastern Canada the bride donned a cinnamon tweed suit with champagne accessories and corsage of Golden Sceptre roses.

Out-of-town guests were in attendance from Woodstock, Ill.; Dwight, Ill.; Detroit, Windsor, Kitchener, Toronto, Ottawa, Stirling, Bloomfield, Wellington and Eldorado.

The bride and groom will take up residence at 136 Weber Street East, in Kitchener.

Ontario Plowmen On Way To Europe

While preparations continued for next month's International Plowing Match near Breslau, two top Canadian plowmen who won honours at last year's show are about to sail for Europe to take part in the second annual World Plowing Match near Killarney, Ireland.

The two men are Jim Eccles, 34, of Brampton, winner of the world match, which was held in Canada last year, and Bob Timbers, 27, of Stouffville, who won the Canadian championship at the Cobourg match. They will be accompanied by their wives, James Eccles Sr., and William R. Bullick, their manager.

The party sailed from Montreal on September 21st and will compete in the world title match on October 8th and 9th. Competing plowmen are slated to arrive in Dublin not later than October 4th to attend special functions in their honour. After the match they will tour Ireland and observe Irish agricutlural methods.

Other Canadians who are handy with the plow meanwhile are getting ready for the international trials to be held in October. No world champions will be crowned at the Waterloo County event, but there will be an international champion or two, and this years' match looks like one of the best for many a year.

Havelock Woman Lands Big Muskie

Mrs. W. W. Hill, of Havelock, while fishing in Round Lake in the vicinity of Ross Hart's summer resort, caught a 25-pound muskie measuring 45 inches in length which she landed herself after a 45-minute battle. The maskinonge towed the boat about half way across the lake.

Eggleton Mission Band Meets

The Eggleton Mission Band was held Friday afternoon at the school house. Allan Reide presided over the programme which had been prepared by Sharon Reide and Joyce Madill.

"Stand Up, Stand UP For Jesus," was sung with Miss M. Armstrong presiding at the piano. The Mission Band Purpose was repeated. Garry Phillips gave a reading.

During the business a new slate of officers was elected as follows:

President — Norma Woodcox
Vice President — Joyce Madill
Secretary — Annamae Clarke
Treasurer — Shirley Prest
Programme Conveners — Garry Phillips and Allan Reide.
Lunch Conveners — Sharon Reide and Audrey Stapley
Pianist Miss M. Armstrong.

Paul Bridges and Harold Prest are to prepare the October meeting and Annamae Clarke and Norma Woodcox to be in charge of the travelling basket.

Later Elections Seen Possibility For Napanee

There is a possibility that Napanee's municipal election may be held later this year than usual.

The town is being reassessed this year and it is doubtful if the new assessment roll will be ready and the voters' lists completed in time for an election at the usual time, which is early December. It has been suggested that the election could be put off until New Year's Day.

WHAT OTHERS SAY!

LICENSE UNFIT DRIVERS

(Peterborough Examiner)

The president of the Ford Motor Company in Canada, Mr. Rhys Sale, says that legislation is needed in all provinces to prevent the licensing of unfit drivers and unfit vehicles. And so another voice is added to a clamour which, in the end, must penetrate even the ears of law-makers.

Craftsmen — are those who must do whatever is given them to do, better than others think worth while.

CONSERVATION NEWS!

Forest Protection

Another week has added to the record period during which we have had no fires in the Tweed Forest District. The next month includes one of the most dangerous periods of the year and conditions governing Fall Fires can change almost over night, so we are keeping our fingers crossed and keeping very busy with the various projects now under way in this District.

All persons entering the bush for work or recreation are urged to use the utmost care to prevent fires from getting out of control. Prevent Forest Fires by exercising and observing the following Forest Fire Safety Rules. Smoke Hand Rolled Cigarettes. Use Safety Lighters. Stop and Sit Down to Smoke. Crush Cigarette Buts and pipe heels Dead Out. Use your car or truck ash tray. Carry hot drinks in thermos bottles and avoid using lunch fires.

Fish and Wildlife

Whether or not bear are more numerous, they are most evident in agricultural areas at present. Officers believe this is owing to food scarcity, in form of wild fruits particularily. There are many reports of destruction of apiaries, apple orchards and a few farmers have found them molesting stock. Applicants for the Bear Bounty report the animals in poor condition and it is feared their molestations will increase. Bear Bounties are available to farmers when their is evidence of property destruction; but only in townships where tilled lands exceed 25% of the total acreage.

Canadian universities graduate annually about 12,000 students.

Entered Into Rest

JOHN MURRAY ACKERS

John Murray Ackers, of Stirling, died Saturday in the Muskoka Sanatorium at Gravenhurst. He was in his 32nd year.

Son of Mrs. Annie Ackers and the late Hiram Ackers, he served in World War II with the Hastings and Prince Edward Regiment. He had been a patient at the Gravenhurst hospital for four weeks and had been in the DVA hospital at Kingston for over four years. He was a member of the Stirling Legion, No. 228.

He is survived by his mother, Mrs. Ann Ackers, of Stirling, two sisters, Mrr. Gerald Richardson, of Frankford, and Miss Shirley Ackers, of Toronto.

The funeral service took place at Duffin's Funeral Home on Tuesday, at 2.30 p.m.. with Rev. H. C. Secker, of St. John's Church, officiating.

Members of Stirling Branch of the Canadian Leyion, No. 228 attended in a body.

The pallbearers were Messrs. J. J. Ackers, Douglas Ackers, Claire Ackers, Lyle Hay, R. Tanner and S. Armstrong.

Interment in Stirling Cemetery.

Frankford Woman Killed In Collision

Mother of 10, Mrs. Davis MacDonald, of Frankford, was killed and three others injured when the car in which they were riding was struck broadside by a CNR freight train at a crossing near Consecon, 15 miles northeast of Picton on Monday.

Seriously injured and in Trenton Hospital are her husband, driver of the car, who suffered a compound break of the left leg and internal injuries; their daughter, Mrs. Lillian Chapman, suffering cuts and shock, and their daughter-in-law, Mrs. Harry MacDonald, broken leg and hip. All reside in Frankford district. and were en route to Picton to attend the funeral of Mr. MacDonald's brother-in-law, W. J. Rhodes, in Picton.

Engine of the freight, which runs only tri-weekly from Trenton to Picton, carried the heavy new car about 100 yards up the track. Mrs. MacDonald was thrown beneath the train and was decapitated. The others were released after the wreckage of the car was pried from the engine. One of the first on the scene was Earl Burris, who lives nearby. He was attracted by the crash and assisted in releasing the victims from the car.

Mrs. MacDonald was the mother-in-law of Mrs. Howard MacDonald, Stockdale, formerly Eleanor Fox, of Stirling.

in India for 40 years, gave a very interesting and informative talk. She said that Missionaries are welcome in India as long as they do not interfere with the political aspects of the country; that they should live among the people at the people's level in order to understand them. India is 2% Christian. She won political independence in 1947, and wants peace, not war. India is so busy re-making national life that she doesn't want to be interrupted. Her people want to be Asian more than anything else and passionately believe that they can be neutral. Nehru has said, "The choice is not between democracy and communism. We have chosen democracy as a way of life, and its foundations are spiritual, recognizing the brotherhood of man and the fatherhood of God. We have to believe and trust that India will work out her own destiny."

The President, Mrs. Carlisle, took the chair for the business period. Mrs. Hyde, President of Bridge St. Auxiliary, Belleville, brought greetings from her Auxiliary. She reminded us of the Sectional Rally to be held in Bridge St. Church on November 4th and hoped to see a good number from St. Paul's Auxiliary present.

Light refreshments were served at the close of the meeting by Mrs. Vandervoort's committee.

Mrs. W. Jones, on behalf of St. Paul's members, expressed appreciation to Mrs. Denyes for her very splendid talk, and to all who assisted in any way to make the meeting an interesting one.

Special Services Mark Seventy-Ninth Anniversary At Carmel

Rev. R. W. Barker, A Former Minister, Delivers Inspiring Sermons — Fine Music

Carmel United Church was filled to capacity at both services for their 79th Anniversary on Sunday, September 26th. Every available seat was filled with an overflow crowd in the porch and in the Jubilee Hall.

A former minister, Rev. Ralph W. Barker, of Wilton Grove, Ont., officiated at both services. When he left the circuit five years ago the hall was still in the planning stage and during the pastorate of Rev. A. E. Baker, Jubilee Hall was built and the church newly decorated and new pews installed.

The edifice was a bower of beauty wish baskets of autumn blooms. Mrs. Arthur Pyear presided at the piano and the large choir of junior and senior voices rendered two anthems. "Sing O Heavens," with the vocal solo part taken by Mrs. Russell Pyear, and "Great is the Lord," with Mrs. Harry Brown taking the solo part. A quartet, "Just Outside the Door," was rendered by Messrs. Ed. Pyear, Wesley Steinhauer, Harry Brown and Douglas Pyear.

The service opened with the singing of "The Church's One Foundation," and the Responsive Psalm, "Let us rejoice in the strength of our salvation."

Rev. Barker based his message on Elijah and pictured him as a man who regarded truth more important than prestige. Elijah would not surrender the great essentials of his faith in order to please a king. Rev. Barker paid tribute to the Carmel pioneers who built the church in 1875 and said people of today should be much better spiritually and morally after seventy-nine years of christian teaching.

The morning service closed with the singing of "Onward Christian Soldiers."

Evening Service

The church was filled to overflowing at 7.30 p.m. and the service opened with the hymn, "Unto the Hills." Rev. Barker based his message on the 21st chapter of Revelations and the 23rd Psalm, "And the city had no need of the sun, for the glory of God did lighten it." He stressed that nothing is new unless it is better and that glory and honour shall be in that heavenly city.

The full choir of almost forty voices rendered two anthems, "God So Loved the World," with the six girl sopranos of the Junior Choir taking a part and "Let Mount Zion Rejoice" with vocal parts taken by Mrs. A. Packman and Mr. D. Pyear. A duet, "My Task," was rendered by Messrs. Harry Brown and Douglas Pyear.

The offering was gathered by Messrs. Ernest Carlisle and Russell Pyear, and almost four hundred dollars, the objective, was received at the two services.

The evening service closed on the theme, "Guide Me O Thou Great Jehovah." Once again Carmel Anniversary was a decided success.

Chicken Dinner Held Tuesday

On Tuesday evening the women of the congregation served a chicken dinner in the Jubilee Church Hall, starting at six o'clock.

At 8.30 Rev. A. Packman took charge of the program in the church. Musical numbers were given by the Allan sisters, of Lonsdale; the Broadworth sisters, of Sine; the Craighead sisters, of English Line; Mr. Grant Richardson, Ridge Road; the Frankford, Quartette; Billie Wickens, of Murray; Mr. and Mrs. W. D. Grant, of West Huntingdon. Mrs. Milton Robson, Belleville, gave several humorous readings.

Mrs. Gerald Clancy and Mrs. Lorne Watson, of Wellman's, entertained the waiting people with piano music.

Prayer and the "Queen" ended an entertaining programme.

MRS. W. T. ELLIOTT

Appointed To Board of Governors of Albert College

Announcement has been made by Dr. V. T. Mooney, acting secretary of the General Council, that Mrs. W. T. Elliott, of Stirling, has been appointed to the Board of Governors of Albert College, Belleville. The appointment was made by the General Council of the United Church of Canada, which recently convened at Sackville, N.B.

The official introduction will be made at the Granite Club, Toronto, on Wednesday, October 13th.

Mrs. Elliott, who completed four years as a member of the General Council this year, has been an active worker in all branches of the United Church in this district, and her many friends will join in extending her congratulations on her appointment.

In Hospital

Stirling and district friends of Mrs. George LeGrow, of Peterborough, will regret to learn that she is a patient in St. Joseph's Hospital, Peterborough, suffering from a fractured hip.

Young Married's Met

A delicious buffet style turkey dinner was held in St. Paul's Church parlours on Wednesday, September 22nd, with 54 marrieds in attendance. This bountiful banquet was thoroughly enjoyed by all. A sing song was followed by the business meeting.

The officers are as follows:

President — Ted Reynolds
Vice-President — Evva Tucker
Secretary — Evelyn Duffin
Treasurer — Ralph Utman

"The Ball and Chain Club," which is the new name of this group, will hold its meetings on the 3rd Wednesday of each month. The October meeting is to take the form of a masquerade.

Dr. Packman spoke briefly to the club. A short devotional period brought this wonderfully happy evening to a close.

St. Andrew's Club Chicken Dinner

A large number of St. Andrew's Club members enjoyed a chicken dinner on Wednesday evening of last week in the church basement, to open their fall meetings.

President, Mrs. C. E. Bateman, welcomed the members and presided over a short business period. Plans were made regarding the Thankoffering and the purchasing of a number of Psalm books to be placed in the Church before the Centennial Services.

Suggestions are to be brought to the next meeting for a "Suggestion Box." These are for the improvement of future meetings.

Rev. W. H. V. Walker closed the meeting with prayer.

LOCAL GARAGE BURGLARIZED EARLY MONDAY

Thieves gained entrance to the garage of McIntosh & Wells, local Ford and Monarch dealers, in the early hours of Monday morning and made off with approximately $1200 of office equipment and stock.

Included in the articles stolen were a ledger posting machine and typewriter from the office and 10 cases of Prestone, car radios and other accessories and parts.

Entrance was gained by breaking in the front door. Once inside the culprits opened the large service department door and backed a car or truck inside where they were able to load up unnoticed. From information gleaned by residents living near the garage, it is thought the robbery took place about 3 a.m.

Discovery of the robbery was made when the garage was opened Monday morning and Provincial Police were called in to investigate.

Friday Night Mixed League

The Vampires lead in the "Friday Niters" Bowling League with a 7 point score following the league opener on Friday, September 24th. The Remnants, Cracker Jacks and Strugglers bowled for 5 points; Aggies, Head Pins and M's 2 points, and the Screwballs, no points.

Mrs. Gordon Roth, of the Strugglers, bowled the ladies' high single with a 252 and a high triple for ladies of 549. Bill Heath, bowling on the M's team, took the men's single with 258. The high triple for the evening was scored by Jack Eaton of the Head Pins with 653.

Executive Members

The executive members of the league include: President, Gordon Roth; Secretary, Allen Francis, and Treasurer, Keith Johnson.

All teams in the league have their membership, but a few of the teams still have openings for couples as spare bowlers.

Harvest Festival St. John's Church

Harvest Festival Evensong was sung at St. John's Anglican Church on Sunday evening. The church was beautifully decorated with a profusion of flowers, fruits and other produce of the field.

A large congregation joined in the traditional prayers of thanksgiving for all God's blessings. The special Lesson and Psalm was read by Mr. Jack Chard. The Rector preached on the subject of "Stewardship."

The choir, accompanied by Miss Ruth Mumby, organist, sang the Harvest Hymn, "Hymn To Joy," arranged from Beethoven, written by Rev. Henry Van Dyke.

Rally Day Service At St. Andrew's

Mrs. Clarke Rodgers Gives Interesting Story — Cradle Roll Certificates Presented

The annual Rally Day Service of St. Andrew's Presbyterian Church, Stirling, was held last sunday morning with the Church School participating in the service of worship. The Scripture Lessons were read by Paul Rollins, Carol Ray and Carol Fargey, and the prayer of thanksgiving by Sally Fox.

Mrs. Clarke Rodgers gave a most interesting story, illustrating the theme, "So shall ye be my disciples if ye have love one to another." Several Cradle Roll Certificates were presented by Miss Gena Spry, Supt. of the Sunday School in the absence of the Cradle Roll Supt., Mrs. Chas. Fargey. Miss Spry spoke of the importance of the Sunday School and the Cradle Roll departments and thanked all who so willingly assist in this service of love.

Solos were rendered by Heather Rodgers, "The Heart Garden Song," and by Elizabeth Fox, "Come Holy Spirit, Heavenly Dove," which were much appreciated by the large congregation.

The Missionary offering was lifted by Douglas McIntosh and John Ray.

Mrs. R. H. Williams presided at the organ and Rev. W. H. V. Walker conducted the service and gave an address on the "Three Requirements of True Discipleship."

A beautiful basket of gladioli placed by Mr. and Mrs. A. O. Dalrymple, adorned the altar.

Engagement

Mr. and Mrs. Everett Cooke wish to announce the engagement of their daughter, Florence Eileen, to Mr. Richard Edward Barnard, son of Mr. C. W. Barnard and the late Mrs. Barnard. The wedding will take place at 2 p.m. on Saturday, October 23rd at St. John's Anglican Church, Stirling.

Peter Kuening Injured In Fall Has Operation

Peter Keuning, son of Mr. and Mrs. Keuning, Mill St., suffered a painful injury while at play on Sunday afternoon. The young lad was attempting to walk along the top of a piece of fence near S. A. Hatton's residence, John St., when his feet slipped and he fell across the fence severely injuring his side.

Dr. E. A. Carleton was summoned and the injured boy was taken to Belleville General Hospital, where it was later found necessary to operate and remove a kidney. At time of going to press he is reported to be making good progress towards recovery.

Dr. Charles Findlay Walt Widely Mourned; Funeral Services Today

Following an illness of four months' duration Chas. Findlay Walt, D.D.S., L.D.S., a former resident of this Village, died at Sunnybrook Hospital, Toronto, on Tuesday.

Born in Stockdale, Ont., the son of Hiram Walt and Mary Matilda Marsh, the late Dr. Walt was in his 81st year. He was a first class honour graduate of the Royal College of Dental Surgeons and Toronto University and established himself in business on North St. in Stirling in 1903. He continued practising dentistry here until his retirement in 1947 and has since made his home with members of his family in Ottawa, Toronto and Orangeville.

Dr. Walt was a good citizen, taking an active interest in all phases of community life and was deservedly popular in all circles. He was particularly interested in educational matters and was a valued member of Stirling Board of Education for many years. He was a member of St. Paul's United Church, and served on the Official Church Board for many years. Fraternally he was a life member of Franck Lodge, 127, Frankford; a Past Master of Stirling Lodge, A.F. & A.M. No. 69; a life member and Past First Principal of Keystone Chapter No. 72, Stirling; a member of Stirling I.O.O.F., No. 239; Honorary member Stirling L.O.L. No. 110; member King Baldwin Preceptory, No. 6, Belleville; and Stirling Legion, No. 228.

Dr. Walt went overseas in World War I with the 155th Battalion as a Captain in the Dental Corps and was discharged at the war's end as a Major.

He is survived by one daughter and one son: Mrs. Frank (Margaret) Gascoigne, of Ottawa; James Cecil Walt, of Toronto, and five grandchildren. He was predeceased by his wife, the former Annis Elizabeth Foster, in 1939.

Also surviving him is one brother, Addison Walt, of Orangeville.

The funeral took place at the Duffin Funeral Home, Stirling, this (Thursday) morning with Rev. A. Packman conducting the service, assisted by Rev. A. M. Laverty, Chaplain of Queen's University.

Members of Stirling Lodge, No. 69, A.F. & A.M., attended in a body and conferred the last rites of the Order at the graveside in Stockdale Cemetery, with Rev. W. H. V. Walker, R. A. Patterson, T. W. Solmes and H. R. Tompkins taking part.

The pallbearers were Messrs. Bert Bush, Earl Bonsteel and K. McFaul, of Franck Lodge No. 127, Frankford; and G. B. Bedford, Harper Rollins and C. E. Macklin, of Stirling Lodge No. 69.

Last Post and Reveille were sounded by Bugler Chas. Butcher, Frankford.

Interment in Stockdale Cemetery.

Community Bids Couple Farewell

Friends and neighbours gathered in the River Valley School House on Monday night to say farewell to Mr. and Mrs. Gilbert Finkle, Nancy and Jackie, who will be moving to their new home in Stirling in the near future.

Jack Bush acted as master of ceremonies for an enjoyable programme of readings. musical numbers and short addresses.

Presentations

During the evening Mr. and Mrs. Finkle were presented with two beautiful vases by members of the River Valley Women's Institute. Mrs. Ed. Heasman read an address and Mrs. J. L. Donohoe made the presentation. On behalf of the community Mrs. Ken Morrow read an address and Don Scott, Ernie Carr and Bob Philp made the presentation of a coffee table and a tri-light lamp. Nancy and Jackie were also presented with bracelets by Mrs. Glen Morrow.

Mr. and Mrs. Finkle thanked the donors for their beautiful gifts, after which dainty refreshments were served and a social hour enjoyed.

Energetic Bowlers

The Energetic Ladies Bowling League was reorganized recently with four teams "Rinky Dinks," captained by Hilda Rose; "Lucky Strikes," by Evelyn Sleeper; "Happy Gang," by Mildred Harding, and "Busy B's," by Margaret Tanner.

Holloway Child Fatally Hurt; Dies In Hospital; All Family Injured

An 11-year-old girl is dead and five other people are seriously injured in Belleville Hospital as a result of a two-car collision on Concession 4, Tyendinaga, 10 miles north east of Belleville Sunday afternoon.

Dead is Patsy Reid, 11, daughter of Mr. and Mrs. Alvin Reid, of Holloway. Two other Reid children, Ellen, 8, and Floyd, 6, are in critical condition. Less seriously injured are Mr. and Mrs. Reid both suffering face and scalp lacerations and the driver of the other car, Lynn Cole, 19, of Shannonville, who suffered a fractured shoulder and skull lacerations.

Floyd Reid is suffering serious face and head injuries and Ellen Reid, undetermined internal injuries.

Burst Into Flames

Quick action by passing motorist, J. L. Farrell, of Belleville, and Mr. and Mrs. Ray Quinn, of Tweed, saved the rest of the Reid family from a horrible death. The Reid car burst into flames following the collision and was completely destroyed. The occupants were pulled to safety just in time.

The accident occurred at an intersection of the concession road. The Reid family, out for a Sunday afternoon drive, were moving east when their car collided with the south-bound Cole car.

Dr. Jack Empson and Dr. Stock treated the victims at the scene of the crash. OPP Constable Gordon Oliver investigated.

REDCLIFFE — COREY

A quet wedding was solemnized at St. Andrew's United Church Parsonage, Marmora, on the afternoon of Saturday, September 18th, when Rev. K. J. Crawford, B.A., B.D., united in marriage, Marjorie Corey, daughter of Mr. and Mrs. Donald Corey, of Campbellford and Earl Redcliffe, son of Mr. and Mrs. Henry Redcliffe, of Bonarlaw.

The attendants were Dorena Webber and Stewart Haig, both of Marmora.

The newlyweds have taken up residence in Bonarlaw.

McGARRIE — MAYELL

On September 4th, at 2.30 p.m. the marriage took place in Christ Church, Belleville, of Mary Evelyn Mayell, daughter of Mrs. Caroline O. Mayell and the late John Mayell, and Ronald Calder McGarrie, Toronto, son of Mrs. Janet McGarrie and the late Archibald McGarrie.

Archdeacon J. B. Creeggan performed the ceremony before a background of red, pink and white gladioli and Mr. J. C. Withers played the wedding music.

The bride, given in marriage by her brother, Charles H. Mayell, wore a waltz-length strapless gown of white nylon tulle with tiered lace jacket fastened at the wrists with pearl buttons, fingertip viel of nylon tulle held in place with band of white daisies. She carried a bouquet of American Beauty roses.

She was attended by Mrs. E. Morgan, of West Huntingdon, as matron of honor, who wore a waltz-length strapless gown of pale blue nylon tulle with matching jacket, small white hat trimmed with rhinestones and white nylon gloves. She carried a nosegay of pale pink roses set in deep pink gladioli.

Mr. Norman Boreki, of Toronto, was best man.

A reception was held at the home of the bride's brother, Mr. C. Mayell, Oak Lake, where the rooms were attractively arranged with baskets of pink gladioli, white wedding bells and streamers. The bride's mother received in a navy suit of taffeta, navy accessories and a corsage of pink roses. She was assisted by the bridegroom's mother, who wore a navy and white dress, navy and white accessories and a corsage of pink roses.

For a wedding trip to Niagara Falls and points west the bride chose a periwinkle blue suit with black accessories and corsage of red roses.

Out-of-town guests were in attendance from Toronto, Deseronto and West Huntingdon.

Mr. and Mrs. McGarrie will reside in Toronto.

A MESSAGE TO THE TAXPAYERS OF THE VILLAGE OF STIRLING

For many years sewage disposal has been an acute problem in Stirling. There is no reason to believe that it will not continue to be an ever-increasing problem as our Village grows.

The Stirling Chamber of Commerce has requested the Council of the Village of Stirling to enact, at the appropriate time, the necessary by-law to bring to a municipal vote, the question of installing a sewage disposal system to serve Stirling.

There have been many discussions and opinions expressed on this subject in past years. Few, if any of us, know the full details regarding sewerage; and no one can hope to make an intelligent decision upon the meagre facts and figures presently at our disposal.

The Stirling Chamber believes that it will be performing a great public service if it can present a true picture of the problem and an accurate estimate and proposal for the solution of the problem.

Acting upon this belief the Chamber has arranged to have experts on sewerage, speak and answer questions at a public meeting to which all taxpayers of the municipality are invited, and urged to attend. The subject of sewerage will be discussed from 4 standpoints.

1. A representative from the Ontario Department of Health will outline why sewerage is needed, the standards set up by the Department and other related details.

2. Consulting engineers who have already made a brief survey of the town and who will point out the problems which might be encountered. They will also put forth their suggestions as to how a sewage disposal system could be installed.

3. A representative from the Depart. of Municipal Affairs who will discuss the financing of sewage disposal systems.

4. Dr. E. A. Carleton, local M.O.H., will speak regarding present conditions and the future outlook for sewage disposal.

The Chamber had hoped to definitely announce that the public meeting would be held on Monday, October 18th at 8 p.m. in the Community Hall. Unfortunately, at time of going to press, definite confirmation of the date has not been received from some invited guests. It appears that the meeting will be held on the planned date, however, definite announcement will be postponed temporarily with confirmation appearing in next week's News-Argus.

As previously stated, the Stirling Chamber is arranging the meeting solely for the purpose of providing the ratepayers of our Village with an opportunity to become better acquainted with the problem of sewerage and with the possible means of solving the problem.

It is the sincere wish of the Chamber that all citizens will attend this meeting in the best interests of themselves and of a better Stirling.

Sincerely, on behalf of the
Stirling Chamber of Commerce

E. D. KETCHESON, President R. D. PATTERSON, Secretary

Mrs. Roy Bush Hostess To River Valley Woman's Missionary Aux.

Mrs. Roy Bush was hostess to the River Valley Woman's Missionary Auxiliary on Tuesday evening, September 21et, with an attendance of 18 members and 6 visitors.

The President, Mrs. Jack Bush opened the meeting with the use of the hymn, "Listen the Master Beseecheth," followed by the Lord's Prayer in unison. The roll call was answered by a saying of Paul. Mrs. Packman conducted the Bible Stpdy and gave a vivid and stimulating account of Paul's life and travels. To understand the depth of Paul's spiritual life one must read his letters. A favourite greeting was "Beloved, I wish above all things that thou mayest prosper and be in health even as the Saul prospereth."

Mrs. Ross Holland gave a reading, "Tell Him So." Mrs. George Heasman gave a vocal solo, "The Love of God," accompanied by Miss Grace Heasman.

The last three chapters of the study book was reviewed by Mrs. Gerald Brooks. Don't judge Christianity by Europe. Europe is no longer a Christian Continent. Today in France less than 10% of the total population practice or believe in any kind of religion. Witnesses must join hands in truth and love in order that weary and sin sick people be brought to Jesus Christ who also can lift them from the deepest shadow.

Prayer was led by Mrs. Roy Irven.

The Missionary Monthly Secretary advised that in October subscriptions are due and would as many as possible be prepared to renew their subscription at the next meeting.

The packing of another bale was discussed and will members or anyone having good used clothing, leave with Mrs. John Kane or Mrs. Ross Bush, or advise them where to pick it up. All parcels to be handed in by October 7th. The demand for help for the overseas people in distress is very urgent, especially with the coming of winter.

The next meeting is to be held at the home of Mrs. Alec Bush on the evening of October 19th at 8 p.m.. Programme eonvener to be Mrs. Ralph Utman and Mrs. Glenn Bush. October is Thankoffering month.

Mrs. Ernest Carr conducted an interesting contest. The meeting closed with the use of hymn, "O Master Let Me Walk with Thee." A bountiful lunch was served by the hostess and her helpers.

Mrs. Ross Bush expressed thanks on behalf of the group to the hostess, to Mrs. Packman, who very capably conducted the Bible Study, and to all who contributed numbers on the program and to the lunch committee.

Tag Day For National Institute For Blind October 9th

The annual financial campaign for The Canadian National Institute for the Blind gets underway in Stirling on October 4th and continues till October 9th. Volunteer canvassers are needed and anyone wishing to act in this capacity are asked to contact Mrs. F. W. Houchin, local representative of Hastings County Advisory Board, C.N.I.B. They will be provided with credentials and forms which may be used for income tax purposes.

"It is hard to put into words what C.N.I.B. means to our blind citizens," stated Mrs. Houchin. "It means independence instead of dependence, a busy active life instead of a lonely empty existence."

She spoke of a blind person she knew who had refused to step out of his home for more than two years after losing his sight. His family had given up all hope of his recovery, and were trying in a desperate way to accept his new mode of life. Heartbreak and discouragement were evident in all of them. His wife had to return to the business world, and their income was considerably lower than in the happy days when her unfortunate husband could see and support his children in the regular way.

Finally the school nurse noticed a sadness in the eldest child then in Grade 2, called on the parents to discuss it, discovered the situation, and referred the dis gruntled father to the local branch of C.N.I.B. Soon a field secretary called, thoroughly discussed the new client's problems and the training programme C.N.I.B. was prepared to give.

"The field man was himself blind," Mrs. Houchin explained, "And the mere presence of a capable blind person in the house was a sunbeam that had been absent for the whole two years."

The client had been a salesman. C.N.I.B. was quick to offer him training in canteen management. A little later the trainee was handling a C.N.I.B. stand, and most important of all supporting his family once more.

"There were other benefits too," Mrs. Houchin continued — "Training in traveling about with the White Cane, encouragement to bowl and join the recreation club for the Blind in his town, and many more."

"You might say C.N.I.B. brought him back to life," Mrs. Houchin declared. "To do it, money was needed. That training had to be paid for. So did the other aids The money came from your pocket and mine, and from the others who contributed to a C.N.I.B. campaign. We'll need your dollars again from October 4th to 9th. Remember the experience of this blind citizen, and be as generous as you possibly can."

The last two ladies assisted with the programme.

Rally Day Service

The annual Rally Day Service was held on Sunday morning with a good attendance. The program was based on the theme, "Learn of Me," and was provided by the Board of Christian Education of the United Church of Canada.

Miss Betty McConnell presided at the piano and seventeen children in the school choir of Williams and Allan schools, filled the choir loft and sang, "O Worship the King."

Mr. Lindsay McKeown presided and Mrs. Harry McAdam gave the story written especially for this occasion by Isobel McFadden and based on India. The offering will be used for educational work in India.

Mr. Ed. Richardson, in a fifteen minute address, gave vivid impressions of "Five Oak's Camp," which he and his wife and two sons attended in August. Each day there was special lectures on subjects such as the Bible, Christian Family Living and Child Pschology, and one of the main points stressed was family worship in the home. There were crafts of various kinds, swimming, special classes for children and a large variety of interesting studies. The motto of the camp was "God is here now."

The speaker told how at "the house of the interpreter" a gong sounds every three hours from 9.00 a.m. to 9.00 p.m. and when the gong sounds the third note everyone, children included, stop wherever they are for a word of prayer. There were ninety-six people in camp and five staff members. The whole atmosphere of the camp stressed the need for deeper and truer christians everywhere.

Linda Cooney Celebrates Birthday

Some of the junior pupils of the Allan School, were entertained at the home of Mr. and Mrs. Lloyd Cooney. The occasion was the birthday of Miss Linda Joyce Cooney, who was seven on October 17th.

After a number of games, the little guests each donned crepe paper hats of various colours and designs. The hostess then served a very appetizing lunch topped off with birthday cake, ice cream and candy. Miss Judy Cooney and Miss Gail Scott also assisted in serving.

Later Joyce unwrapped her presents and thanked her friends for the lovely gifts, and also for the pretty birthday cards she received. The guests then enjoyed watching television before leaving for home.

Mrs. Kenneth Mumby Hostess To St. John's Woman's Auxiliary

Mrs. Kenneth Mumby was hostess for the September meeting of St. John's Woman's Auxiliary on Tuesday with 19 members and 27 visitors present. Mrs. J. Whitehead presided. Rev. H. C. Secker read the Litany and Mrs. John Villetorte read the Bible Lesson.

Mrs. M. Tanner gave a very interesting reading from the study book. Mrs. H. Secker introduced the guest speaker, Rev. William Giovetti, who gave a very interesting talk on "The Life in the Diocesan of Saskatoon." Rev. Brownlie, of Marmora, sang a hymn, "Invocation of the Trinity," and Mrs. Burton Woodbeck sang a solo, "The Lord is My Shepherd," with Mrs. Earl Morrow at the piano.

Mrs. Lindsay Tanner of St. Thomas W.A. voiced appreciation of the lovely meeting. Hymn 539 was sung. The President closed the meeting with prayer.

Lunch was served by Mrs. Mumby and helpers. Mrs. Charlie Vance moved a hearty vote of thanks to all who made this meeting such a success.

WHAT OTHERS SAY!

BEES IN CARS

(Brockville Recorder and Times)

A motor accident, caused by a bee, occurred in this area recently. Strangely enough,, small as are bees and hornets, they are quite often the cause of car accidents, in that they distract drivers to the point where control of the machine is lost due to the driver's frenzied attempt to kill the pest, while in motion. This is a dangerous practise.

Much better it is, if attacked by a bee or hornet while motoring, to stop the car before joining battle with the insect. The motorist who waits may get stung before he gets his car stopped, but a small bee sting is infinitely preferable in every respect to a bad car smash-up. Or so we hold.

$25,000 Fire Destroys Cobourg Steam Laundry

Damage was estimated at $25,000 when fire completely gutted the Atton and Collins steam laundry in Cobourg and threatened a row of tenements at 4.30 Saturday morning.

Seven families hurriedly left their homes as firemen fought to confine the blaze to the laundry. The laundry was a total loss, but the tenement dwellings suffered only water damage.

Cause of the blaze, which broke out in the second floor of the laundry, is unknown. William Collins, in partnership with Morley Atton, said his loss was only partly covered by insurance. In addition to equipment there were several bundles of clothes in the store, due to be delivered, which were lost.

WOMAN PASSENGER KILLED IN CRASH

Mrs. Ruth Wood, 33, was fatally injured Friday last when the car in which she was riding collided with a transport truck in Belleville.

Police said the car, driven by Stanley G. Bremmer, 27, went out of control, swerved on to the sidewalk, and then hit the truck. Bremmer suffered facial cuts.

OF MANY THINGS

(By Ambrose Hills)

GOOD SENSE

A Montreal daily paper quotes the editor of a country weekly paper as having said, "In order to be a real success in the world a fellow should always be willing, at the right time, to give the other fellow an advantage over him."

Well, now, on the face of it, that looks like nonsense. But stop and think about it a moment.

The more thought you give to it the more you will realize how clever and correct it is. To make a friend, give an advantage. To build a business, always give advantages to your customers. This, while it sounds strange, is one of the secrets of success that every big businessman has followed.

Naturally, you must beware of being exploited. But you can carry that fear of exploitation too far. The man who is always too cagey, always too eager to get the best of it, always afraid to give the other fellow an advantage, soon fails!

I think the reason country editors come up with this kind of astounding good sense (when so many folks in this world are listening to everything but good sense) is that they are dealing every day with actual case histories. City editors, like politicians, often deal in theories without ever getting around to seeing the facts in action. Consequently nearly all their statemens look good on the surface — but when you get down to the real nub of truth, they won't always carry weight. Real life, seen at close hand, is often a paradox. That's why local editors, observing these things taking place, often write with such striking originality.

Some while back the Country Editor's Association made a presentation to a Parliamentary Inquiry Committee. The presentation they made absolutely shocked the politicians. Up until the country editors appeared, the whole meeting had been a bandying back and forth of fancy theories. When the editors stood up to say their piece — the facts fell one by one with thuds that could be heard all over Ottawa. When the editors said plainly and bluntly that you cannot have free speech in a country when radio and television are both controlled by a government agency, they were merely stating a fact. They backed the statement up with other facts. You would have thought that a bomb had exploded.

Nevertheless, when the air had cleared again, a good many politicians thought it over and decided that the editors were right. So far, very little has been done about it but the effects will one day be felt.

RAISE MINISTERS' MINIMUM SALARY

Meeting in Sackville, N.B., the United Church General Council on Wednesday voted its ministers a $100-a-year pay increase, making the 1955 minimum salary $2,800.

The 375 lay and clerical delegates attending the 10-day session passed a corollary proposal that the church set $3,000 a year as the minimum salary for ordained married ministers, a goal to be reached progressively as early as possible.

Says Country Getting Value For Education Cost

Canadians are not getting value for the $450,000,000 they spend annually to educate the youth of the nation, M. E. Lazerte, research director for the Canadian School Trustees Association asserts.

He told the Canadian Federation of Mayors and Municipalities that far too great a percentage of educational expenditures was being directed to the physical expansion and improvement of the school system.

"We are failing, with all our vast spending, to educate the children; yet that is the service we are trying to procure."

He made an eloquent plea to those concerned with the control of educational budgets to have more regard for spending money to improve the calibre of teaching across the land.

"It is my conviction that throughout Canada attention has been directed too exclusively to administration, school inspection, school buildings, etc., and too little to the education and learning which may or may not be taking place in these expensive plants.

"Let us not forget that children get more education if we have good teachers in poor classrooms than if we have poor teachers in million dollar buildings.

"Work of the school begins when teacher and pupil meets; that work can be highly effective only when edulated persons with true professional qualifications serve as teachers. The quality of teaching depends on human, not material factors.

"Cheap schooling is certain to be poor schooling. As the teacher, so is the school. What incentive is there for brilliant students to elect teaching now? If 10 percent of teachers' salaries were equal to those paid executive personnel in industry, the profession would by the natural process of selection, attract the talented, intelligent and ambitious and scholarly.

"I am sorry to say anything about salaries. I wish I could stress the quality of service without mentioning them but service and salaries cannot be divorced."

Mr. Lazerte told the conference that these considerations should weight heavily with those responsible for school programs in an era of soaring school costs.

In the next 10 yeaers, he said, elementary enrollments will increase 58 per cent and high school enrollments 76 per cent. To provide the necessary new 28,000 classrooms to meet this increased enrollment will cost in the neighbourhood of $1,000,000,000, he said.

Some 38,000 new teachers will have to be found in this period; their salaries and increased operating costs will add $230,000,000 to the annual bill for education in Canada," he estimated.

Water Supply For White Lake Rearing Ponds Assured

An adequate supply of cold water is assured for the seven ponds at the rearing station of the Department of Lands and Forests at White Lake, situated due west of Sharbot Lake, some four miles as the crow flies.

This objective has been achieved by the installation of a new flume and water pipe leading from the lake to the point of function with pipes in turn leading to the ponds.

When it is considered that some half a million speckles, kamloops, lakes and other species can be raised to the age of one year or more at this station, it will be recognized that water and lots of it is essential.

Crown Land Reforestration

In the Coe Hill area on September 16th the Reforestration program for this fall got under way. Twenty-five local men were on hand the first day and forty were expected to be at work the following day. In this first block 167,000 trees are being planted. The bulk of these will be White Pind which are going in under scattered poplar and other hardwood species. Red Pine will be planted in the small clearings.

A total of 427,000 trees will be planted on crown land in Hastings County this fall,, which will take up to sixty men working for over a month. Due to the rough nature of the areas, all planting will be done by hand.

Report On The Opening of Duck Hunting Season

A great variety of reports have come in concerning the hunters success on the opening day of the duck season.

Several groups averaged one duck per hunter while a very fortunate group killed two ducks for each member.

One of the Department's Conservation Officers carried out a fine piece of research work by questioning 70 hunters who reported recovering 70 ducks, on further questioning it was revealed that twenty-one additional ducks had been shot down and lost, or in other words 30% of the shoot. The use of good dogs, better selection of hunting areas and greater care in pinpointing fallen ducks would do much toward cutting this loss to a reasonable figure.

Family Present T.V. To Parents

The number "thirteen" may be adjudged unlucky by some peaple, but Mr. and Mrs. Allan R. Wannamaker, of Stirling, who recently celebrated their 46th wedding anniversary, won't agree.

And to prove it they had thirteen sons and daughters, healthy and happy, join the festive board to help their parents mark the occasion.

Mr. and Mrs. Wannamaker raised their family after the pioneer style in the agricultural environment of Hartsmere and Fort Stewart in the North Hastings highlands.

"The entire family was brought into the world without the benefit of a doctor," Mrs. Wannamaker said. "All we had was a midwife."

The Wannamakers, seven boys and six girls proved that it does not necessarily mean that electrical appliances are necessary to the upbringing of a healthy "flock." Mrs. Wannamaker baked her own bread and did the washing and other family work now made easy by electricity, the hard way.

It was 46 years ago September 9th that the Rev. R. Roughley performed the wedding ceremony for Mr. and Mrs. Wannamaker at Bancroft. A few of the early married years were spent at Hartsmere and the most of the remainder at Fort Stewart, where the Wannamakers operated a farm. Nine years ago they came to Stirling after retiring from active farm life.

The thirteen childden are: Guy, of Cannifton; Bert, Foxboro; Lloyd, of Detlor; Leo, Stirling; Mrs. Michael (Myrtle) Malloy, Mrs. Wm. (Violet) Cairns, Mrs. Orland (Beulah) Towns, all of Stiring; Mrs. George (Vera) Connors, Toronto; Orval, Frankford; Mrs. Cecil (Goldie) Towes, and Mrs. Clarence (Shirley) Towes, of Frankford; Ewart, Bancroft, and Arnold, of Belleville.

The children with 29 other members of the family tendered their parents a celebration dinner in the Foxboro school on August 29th, while on the afternoon of their anniversary they presented them with a television set. —Ontario Intelligencer.

Don't Put Off Immunization

Whooping Cough is still a serious killer of babies, often striking them before they are 3 months old. For this reason the Health League of Canada reminds parents that it is dangerous to procrastinate in immunization against this disease. This is Canada's Twelfth National Immunization Week, (September 26th-October 2nd) sponsored by the Health League of Canada, a national voluntary organization in the preventive medicine field, in cooperation with public health departments.

In 1953, there were 142 deaths from whooping cough in Canada, the League points out. Most of these deaths were infant deaths (under one year of age). In the same year there were 8,520 cases of whooping cough. Whooping Cough, even when it does not kill, is a persistent, racking disease which is heartbreaking to watch in a small child. Aany mother who has had two or more children ill with whooping cough at the same time will bear witness to this fact, if she is not too exhausted to bear witness to anything. Moreover the lingering after-effects of the disease can impair total health.

Dr. R. J. Wilson of the University of Toronto said, in a recent issue of Health magazine, published by the Health League:

"In Ontario, from 1945-1950, thirty-six per cent of the total (whooping cough) deaths occurred under three months of age, sixty per cent under 6 months of age, and seventy-eight per cent under one year. Whooping cough vaccine, therefore, to be effective in preventing deaths, must be administered very early in life, preferably at about 3 months of age."

In recent years it has been possible to use a single immunizing mixture against whooping cough, diphtheria and tetanus. In New York City, where it has become standard procedure to start injections of this mixture at 3, 4 and 5 months of age and a booster shot at one year of age, whooping cough deaths declined from an average of 302 per year in the years 1920-1924 to an average of 2 deaths in the years 1950-1953. There were no whooping cough deaths in New York in 1952. There are about 160,000 births per year in New York city, compared to about 290,000 in all of Canada.

Immunization against child-killers such as whooping cough is neither inconvenient nor expensive. The Health League of Canada urges all parents to make contact with their local doctors or public health officials and take steps to eliminate unnecessary deaths from Canada.

NEWS FOR THE BUSY FARMER

NEW BOOKLET ON MARKETING POTATOES NOW AVAILABLE

A new booklet of special interest to all potato growers has just been released by the Ontario Department of Agriculture. "Marketing Potatoes in Ontario" was prepared by E. A. Haslett of the Farm Economics Branch in co-operation with the Economics Division, Marketing Service of the Canada Department of Agriculture.

Included in the study are such topics as the marketing of late potatoes, the market for early potatoes, packaging, method of transport, seasonal purchases and competition between Ontario-grown and other potatoes. The booklet also gives special attention to the marketing of potatoes by dealers and methods of distribution in Toronto and Ottawa.

This informative booklet is now available without charge from the Ontario Department of Agriculture, Parliament Buildings, Toronto. It may also be obtained at the office of the Agricultural Representative.

BULL PURCHASE GRANTS ADJUSTED

Grants payable to Ontario farmers who purchase bulls for breeding purposes from approved sources have been subject to some adjustment, Hon. F. S. Thomas, Minister of Agriculture, announced.

Regulations under the Bull Premium Policy now provide for the payment of a grant of 25 per cent of the cost of bulls purchased at County or District sales up to a maximum of $75.00, Previously the grant was paid on the basis of 20 per cent of the purchase price. Grant payable on bulls purchased at the Ontario Bull Sale has been set at 25 per cent of the purchase price up to a maximum of $150.00 Previously the grant was one-third of the purchase price.

Grants are paid on approved bulls for breeding purposes that are sold at sales held under the auspices of County or District Shorthorn, Hereford or Aberdeen Angus Breeders' Clubs or associations which have been approved by the Minister of Agriculture or at the bull sale held under the sponsorship of the Ontario Beef Cattle Improvement Association.

APPOINTMENT AND TRANSFER IN DAIRY BRANCH STAFF

The Dairy Branch of the Ontario Department of Agriculture announced recently that Richard L. Keegan, Instructor and Inspector of Dairy Plants has been transferred from the Chatham-Sarnia-St. Thomas territory to the Peterborough-Lindsay-Toronto territery. He will fill the vacancy created through the resignation of H. M. Arbuckle, who has accepted the position of Assistant Secretary with the Ontario Federation of Agriculture. Mr. Keegan joined the Dairy Branch in 1945 on his dircharge from the Army.

Mr. M. Wilson has been appointed to supervise the Chatham-Sarnia-St. Thomas territory. Mr. Wilson is a veteran of World War II, having served overseas in both the Army and RCAF. He is a graduate of the O.A.C. Class 1952, specializing in Dairying and for two years prior to joining the Dairy Branch was with the Canada Department of Agriculture, Dairy Products Division. He is a native of Rosseau, Ontario.

PROTECTION OF GRAIN IMPORTANT TO FARMERS

With drought conditions likely to result in lower yields, the Ontario Department of Agriculture, through its extension services, is advising farmers to protect their crop against the ravages of stored grain insects.

An extension bulletin from the Ontario Agricultural College issued in response to many requiries from Ontario farmers, recommends the thorough cleaning of the granary before threshing the crop as the first step in a programme of protection from infestation.

O.A.C. officials urge that after the empty bin has been thoroughly cleaned the walls and floors be sprayed with an insecticide.

"While DDT has been used for this purpose, it is preferable to use materials that are less toxic to man and animal such as lindane or methoxychlor," say College officials. It is suggested that the ceiling, walls and floor be sprayed to the point of run-off (about 1 gallon to 1,000 square feet) with one of the following:

(1) 25% lindane wettable powder 2 pounds in 5 gallons of water

(2) 50% methoxychlor wettable powder one pound in 5 gallons of water

(3) 50% DDT wettable powder one pound in 5 gallons of water

(4) 25% DDT emulsion one quart in 5 gallons of water

The above rates make a spray of approximately one percent.

Coal oil or fuel oil and coal oil mixed are satisfactory for bins where grain for milling is not stored. Care must be taken to guard against fire if these materials are used.

Attention is also drawn to a new method of treating grain by means of a wheat protection before or at the time the wheat is binned. The protectant contains pyrethrum and piperonyl butoxide, two chemicals poisonous to insects by non toxic to man or animals. It may be added to grain without affecting it for feed, seed or milling. Although the name implies its use for wheat only it may be used on all types of grain.

The protectant is mixed with the grain at the rate of 1 pound to 10 bushels of grain. This method is not recommended for grain that is already infested.

"Prevention is better than cure," advises the Department. "With careful clean up and residual sprays on the walls of the granary plus a protectant added to wheat when binned there should be very little loss."

YOUNGEST PLOWMAN

The youngest plowman ever to compete in a major event at the Ontario Plowmen's Association International Match, 14-year-old Gerald Lyttle, of High Bluff, Man., western Canadian plowing champion, will be one of an expected 12 champion provincial plowmen from six provinces competing for the Canadian tractor plowing championship and the Esso Silver Plow. The match will be held at Breslau, near Kitchener, Ont., October 12th to 15th.

Plans Being Made For 41st Annual International Plowing Match

Expert tractor plowmen from major agricultural areas across Canada will compete in Ontario early next month for Canada's most coveted plowing trophy. the Esso Silver Plow, emblematic of the tractor plowing championship of Canada. The champion and runner-up will travel to Sweden in 1955 to compete for the world plowing championship.

Competition in this class will be the high point of the 41st annual International Plowing Match, to be held for four days beginning October 12th at Breslau, near Kitchener, Ont. This year's match is expected to attract even more plowmen than the 700 who competed in various events last year, and arrangements are underway to accommodate more than 150,000 spectators.

The Ontario Plowmen's Association sponsors of the match, have already received entries from British Columbia and Manitoba; and they expect competition for the Esso Silver Plow, which is provided by Imperial Oil Ltd., to come also from teams representing Ontario, Nova Scotia, Prince Edward Island and Quebec. Each province is allowed to enter a two-man team.

This year's Canadian championship will automatically mean the crowning of a new champion, since 1953 Canadian champion Robert Timbers, 27, of Stouffville, Ont., will be in Killarney, Eire, competing in the 1954 world championship as a team mate of James Eccles, 34, of Brampton, Ont., who won the world championship last year at Cobourg, Ont.

The youngest plowman ever to compete in the Canadian championship will be a Manitoba representative at the Kitchener match. He is 14-year-old Gerald Lyttle, of High Bluff, Man., who became western Canada plowing champion at Portage la Prairie, Man., last June. His team mate will be A. Webiski. British Columbia challengers will be Henry Thomson and Don Hickman, of Chilliwack.

Interest is also mounting in the Esso class competition, in which gold medals go to champions in both tractor and horse plowing, and silver medals go to reserve champions. As part of their prize, the two gold medalists and team manager will make a trip, as guests of Imperial Oil, to another part of Canada, at a time to be decided by plowing authorities.

Last year's Esso class winners, Joe Tran, of Claremont, Ont., and Harold Nixon, of Hagersville, Ont., tractor and horse plowmen respectively, travelled to Portage la Prairie, ,Man.,, last June, and took part in plowing competition there.

As a national asset, the forests are far beyond price.

Every Canadian has a direct interest in the woodlands.

GROWTH CHAMBER FOR LADINO CLOVER

Use of a growth chamber speeds up breeding work with Ladino clover, reports the Forage Plants Division, Department of Agriculture, Ottawa. Advantages include freedom from contamination with pollen of common wild white clover, and a more rapid growth with abundance of flowering heads of plants under controlled conditions. Pollination is accomplished by placing a colony of bees in the chamber.

NEW SWINE BULLETIN VALUABLE TO BREEDERS

Every hog producer in Ontario interested in profitable hog production will find much valuable information contained in "Swine Husbandry in Ontario," a bulletin just issued by the Ontario Department of Agriculture.

The work of a committee consisting of staff members of the Ontario Agricultural College, the Ontario Veterinary College and the Live Stock Branch of the Ontario Department of Agriculture, the bulletin will prove to be of real value to Ontario hog producers be they large or small in their operations.

Chapters on breeds and breeding, buildings and equipment, feeds and feeding, management, marketing and disease and parasite control will bring the hog producer up to date on the latest findings of experts in the various fields.

According to the authors the application of the information can result in swine becoming a profitable market outlet for coarse grains, milling and dairy by-products and the by-products of other industries. All facts and factors which in the opinion of the authors will contribute to the production of a quality product on a profitable basis have been included.

The bulletin, (No. 500) may be obtained from the Statistics and Publications Branch of the Ontario Department of Agriculture, Toronto, or through the local Agricultural Representative.

Mother — "Isn't this a rather complicated toy for a small child?"

BAILEY — REID

St. Paul's United Church Parsonage, Stirling, was the scene of a pretty wedding on Saturday, August 14th at 2.30 p.m. when Aleitha Jean, youngest daughter of Mr. and Mrs. James E. Reid, of Holloway, became the bride of Gerald Charles, son of Mr. and Mrs. Charles Bailey, of Stirling R.R. 3. Rev. Arthur Packman officiated. Twenty guests were in attendance.

The bride wore a navy sheer gown with navy accessories and a corsage of American Beauty Roses.

Mrs. Marion Reid, Belleville, sister of the bride, attended, wearing navy sheer dress with white accessories and a corsage of red roses.

Mr. James Bailey, of Belleville, twin brother of the groom was groomsman.

The reception was held at the home of the bride following the ceremony. The dining room was artistically decorated with canopy of pink streamers and white bells over the head table, with a three-tier wedding cake decorated with a miniature bride and groom as a top ornament. Baskets of gladioli were used as floral decorations around the table.

The bride's mother received the guests wearing a dress of navy taffetta with navy accessories, with a corsage of pink roses. She was assisted by the groom's mother, wearing a dress of mauve sheer with white accessories and a corsage of yellow roses.

Mr. and Mrs. Bailey left by motor for a honeymoon to Niagara Falls and points west. On their reutrn they will reside at R.R. 3, Frankford.

RANKIN — MORROW NUPTIALS AT FRANKFORD

The Frankford Trinity Anglican Church was adorned with baskets of gladiodi and white satin bows on the pews for the marriage of Mary Elizabeth, daughter of Mr. and Mrs. George Edward Morrow, R.R. 2, Frankford, and Herbert, son of Mr. and Mrs. William Rankin, of Frankford, on Saturday, September 18th at three o'clock. Rev. H. C. Secker officiated.

Traditional wedding music was played by Mr. George Ketcheson and the soloist, Miss Isabel Archdekin, of Brampton, sang, "The Lord's Prayer," before the ceremony and "Because," during the signing of the register

The bride, given in marriage by her father, looked radiant in a floor-length gown of Chantilly lace over taffeta and net, fitted bodice and long pointed sleeves. Her shoulder-length veil fell from a headdress of orange blossoms. She carried a cascade of pink and white carnations.

There were three attendants. Mrs. Harold Thompson, of West Huntingdon, sister of the bride, as matron of honour, wore a pale green floor length gown of nylon net over taffeta, with bolero effect, and matching headdress. She carried a nosegay of baby 'mums. Miss Maisie Rankin, sister of the bridegroom, wore a pale yellow floor-length gown of nylon net over taffeta with bolero effect and matching headdress. She carried a nosegay of baby 'mums. Mrs. Harold Morrow, sister-in-law of the bride, wore a pale mauve floor-length gown of nylon net over taffeta with bolero effect and matching headdress. She carried a nosegay of baby 'mums.

Mr. Wilson Rankin, brother of the groom, was the groomsman, and the ushers were Mr. Harold Morrow, brother of the bride, and Mr. Harold Thompson, brother-in-law of the bride.

The reception was held in the Parish Hall with fifty guests present. The bride's mother received in navy crepe dress with navy accessories and wore a corsage of pink carnations. The bridegroom's mother assisted wearing a blue slate dress with navy accessories. She wore a corsage of pink carnations.

Rev. H. C. Secker proposed the toast to the bride and the groom responded. Mrs. Carman Mikel, on behalf of Trinity Church. made the presentation of a beautiful Kenwood blanket to the bride and groom, for which the groom replied.

For travelling to Toronto, Niagara Falls and points west, the bride donned a brown suit with matching accessories, and wore a corsage of pink roses. Mr. and Mrs. Rankin will reside in Frankford.

Out-of-town guests were present from Columbus, Ohio, Stirling, Frankford, Belleville, Barrie, Brampton, Harold and Wooler.

Large Potato

A potato weighing 2¼ pounds was displayed at the News-Argus office by Frank Stapley, Emma St., on Monday. The unusually large spud was grown in the garden of his son, Wallace Stapley, in Campbellford.

Strange Causes of Fires

Some strange causes of forest fires are on the records of the Ontario Department of Lands ond Forests. but here's a new one:

A gallon jar of vinegar was sitting in a cardboard box on a truck. Rangers saw smoke coming from the box and investigated. The strong sun. its rays concentrated by the vinegar bottle, had ignited the cardboard.

Shaving mirrors, tacked to trees by summer cottagers and woods travellers, also have caused forest fires, as well as pieces of broken bottles lying on the dry forest floor.

Soil and Crop Proceedings In Handy Printed Form

A complete record of the proceedings of the Ontario Soil and Crop Improvement Association's deliberations at its annual convention this year has been published by the Field Crops Branch of the Ontario Department of Agriculture.

Well illustrated, and consisting of some 150 pages prepared in readable form, the publication represents a complete record of the Association's deliberations and has the additional value of being a ready source of information on a number of subjects of particular interest to the Ontario farmer. The publication is well illustrated and will be a valuable addition to the farmer's library for reference purposes.

All principal phases of up-to-date soil and crop production practices are given attention and there are sections dealing with general crops, potato, turnip and seed growing. Dealing with specific topics, there are such subjects as "Agricultural Outlook," "Fertility and Lime for Abundant Production," "Does Farm Planning Pay?", "Managed Pastures," "Corn," "Soybeans," "Drainage Laws," "The Use of Lime," "Chemical Weed Control in Pastures," "New Methods of Insect Control," and many other timely topics.

Copies of the publication may be obtained without charge from the Agricultural Representative in every District or County of Ontario or from the Field Crops Branch of the Ontario Department of Agriculture, Parliament Buildings, Toronto.

THE OTHER FELLOW?

You're taking unnecessary chances when you drive a car that does not pass the safety test. Don't take these chances. Let us give your car a complete check . . . Brakes, Lights, Battery, Tires, Steering, Exhaust System and Horn.

The cost is small. The value is high. You may be saving the life of another . . . OR YOUR OWN!
